ASSIGNMENT

WHEREAS, we, **Ralph Johnson**, and **Matt Fisher**, have made a certain new and useful invention relating to **Multi-Function Tool**, for which we have made application for Letters Patent of the United States, said application being identified as Attorney Docket No. **P001 (84329.0002)**, and United States Design Patent Application Serial No. **29/489,921**, filed **May 5, 2014**;

WHEREAS, **EZE-LAP Diamond Products, Inc.** (hereinafter "Assignee"), a corporation, whose post office address is **3572 Arrowhead Drive, Carson City, Nevada 89706**, is desirous of acquiring the entire interest in and to said invention, said application, and any Letters Patent to be obtained therefore;

NOW THEREFORE, for valuable consideration, the receipt and adequacy of which is hereby acknowledged, we have sold, assigned, and set over, and do hereby sell, assign, and set over, unto the Assignee and said Assignee's legal representatives, successors, and assigns, the entire right, title, and interest in and to said invention, said applications, and the Letters Patent, both foreign and domestic, that may or shall issue thereon including all original, divisional, continuation, continuation-in-part, reissue, certificate of reexamination, and related applications and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the above-mentioned Assignee, consistent with the terms of this Assignment.

UPON SAID CONSIDERATION, we do hereby covenant and agree with the said Assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will, at any time upon request, without further or additional consideration, but at the expense of the said assignee, execute such additional assignments

and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, continuation-in-part, renewal, continuing, reissued or extended Letters Patent of the United States, or of any and all foreign countries, on said invention, and in enforcing any rights or chose an action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of both parties.

Further, in the event one or more Assignees hereunder become unwilling or unable to execute any documents required by the Assignee to perfect its title in any subject matter assigned to the Assignee hereunder, each of such one or more Assignees give the Assignee's designated counsel power of attorney to execute any such documents.

IN WITNESS WHEREOF, and having read this entire document including all prior pages, we have hereunto set our hands and affixed our seals on the date hereinafter set forth.
