## ASSIGNMENT

Whereas, Catalyst Strategic Designs, Inc. (Catalyst), a California Corporation, with a place of business at 256 Redondo Avenue, Long Beach, California 90803, represent that they own the full right, title and interest to TRAVEL PILLOW (hereinafter the "Invention"), covered by U.S. Patent Application Serial No. 61/951,421, filed March 11, 2014 (hereinafter "the Patent").

Cabeau, Inc., is a corporation organized and existing under the laws of the State of California, has a place of business at 5850 Canoga Avenue, Suite 100, Woodland Hills, California 91367, and desires to acquire the entire right, title and interest in and to the invention, application and Letters Patent to be granted and issued thereon.

For valuable consideration, the receipt and legal sufficiency of all of which Catalyst acknowledges, Catalyst does hereby sell, assign, transfer and set over unto Cabeau, its successors and assigns, the entire right, title and interest in and to the invention and all improvements thereon, in and to the provisional application, in and to applications pertaining to or based upon the invention and application, including non-provisional, divisional and continuing applications and continuations-in-part, and in and to any and all Letters Patent which may be granted and issued on the invention and applications, or any of them, in the United States of America, its territories and possessions, and in all countries foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

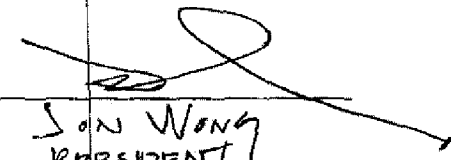

Catalyst agrees that it will, at the request of Cabeau, execute any and all applications for Letters Patent for the invention, execute any and all other papers and documents and do all other and further lawful acts that Cabeau may deem necessary or desirable to obtain Letters Patent on the invention, to secure the grant of such Letters Patent and to protect and vest in Cabeau, the undivided interests in the right, title and interest in the invention, applications and Letters Patent.

Catalyst authorizes and empowers Cabeau, its successors and assigns to apply for and obtain, in its or their own names, Letters Patent for the invention before competent International Authorities and in any and all countries foreign to the United States in which applications for Letters Patent can be so made or letters patent so obtained.
