DATED 30 April 2013

PURSUIT DYNAMICS PLC (1)

and

PURSUIT MARINE DRIVE LIMITED (2)

ASSIGNMENT OF INTELLECTUAL
PROPERTY RIGHTS

MILLS & REEVE

THIS ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS is made on
2013

BETWEEN:

- (1) **PURSUIT DYNAMICS PLC** a company incorporated and registered in England and Wales with company number 04175777 and whose registered office is at Shackleton House, Kingfisher Way, Hinchingsbrooke Business Park, Huntingdon, Cambridgeshire PE29 6HB ("**Assignor**");
- (2) **PURSUIT MARINE DRIVE LIMITED** a company incorporated and registered in England and Wales with company number 4054383 and whose registered office is at Shackleton House, Kingfisher Way, Hinchingsbrooke Business Park, Huntingdon, Cambridgeshire PE29 6HB ("**Assignee**").

WHEREAS:

- (A) The Assignor has agreed to assign to the Assignee, (a subsidiary of the Assignor) its rights in the Assigned Rights on the terms set out in this agreement.

}

IT IS AGREED:

1 Interpretation

- 1.1 The definitions and rules of interpretation in this clause apply in this agreement.

"**Assigned Rights**" means the Patents and the Trade Marks;

"**Patents**" means all patents and patents applications in the name of the Assignor including but not limited to the patents and the applications set out in Schedule 1 but in all cases excluding the patents and patent applications set out in Schedule 3;

"**Trade Marks**" means all registered trade marks and trade mark applications in the name of the Assignor including but not limited to the registered trade marks and applications set out in Schedule 2.

- 1.2 Clause and schedule headings shall not affect the interpretation of this agreement.
- 1.3 The schedules form part of this agreement and shall have effect as if set out in full in the body of this agreement. Any reference to this agreement includes the Schedules.

- 1.4 References to clauses and schedules are to the clauses and schedules of this agreement.
- 1.5 Unless the context otherwise requires, words in the singular include the plural and in the plural include the singular.
- 1.6 Unless the context otherwise requires, a reference to one gender shall include a reference to the other genders.
- 1.7 A reference to a statute or statutory provision is a reference to it as amended, extended or re-enacted from time to time provided that, as between the parties, no such amendment, extension or re-enactment shall apply for the purposes of this agreement to the extent that it would impose any new or extended obligation, liability or restriction on, or otherwise adversely affect the rights of, any party.
- 1.8 A reference to a statute or statutory provision shall include any subordinate legislation made from time to time under that statute or statutory provision.
- 1.9 **Writing or written** includes faxes but not e-mail.
- 1.10 Any words following the terms **including, include, in particular** or any similar expression shall be construed as illustrative and shall not limit the sense of the words, description, definition, phrase or term preceding those terms.
- 1.11 A **person** includes a natural person, corporate or unincorporated body (whether or not having separate legal personality) and that person's legal and personal representatives, successors and permitted assigns.

2 Assignment

- 2.1 In consideration of the Assignee's agreement to pay to the Assignor the sum of £1 (receipt of which is acknowledged), the Assignor hereby assigns to the Assignee absolutely all its right, title and interest in and to the Assigned Rights including:

2.1.1 in respect of any and each application in the Patents:

- (i) any right to claim priority from and to prosecute and obtain grant of patent; and

(ii) any right to file divisional applications based thereon and to prosecute and obtain grant of patent on each and any such divisional application;

2.1.2 in respect of each and any invention disclosed in the Patents, any right to file an application, claim priority from such application, and prosecute and obtain grant of patent or similar protection in or in respect of any country or territory in the world;

2.1.3 any right to extend to or register in, or in respect of, any country or territory in the world each and any of the Patents, and each and any of the applications comprised in the Patents or filed as aforesaid, and to extend to or register in or in respect of any country or territory in the world any patent or like protection granted on any of such applications;

2.1.4 any entitlement of the Assignor to any registrations granted pursuant to any of the applications comprised in the Patents and Trade Marks;

2.1.5 any goodwill owned by the Assignor attaching to the Trade Marks and in respect of any business conducted by the Assignor and its licensees relating to the goods or services in respect of which the Trade Marks are registered or used; and

2.1.6 any right to bring, make, oppose, defend, appeal proceedings, claims or actions and obtain relief (and to retain any damages recovered) in respect of any infringement, or any other cause of action arising from ownership, of any of the Assigned Rights whether occurring before, on, or after the date of this agreement.

3 Further assurance

3.1 The Assignor shall, and shall use reasonable endeavours to procure that any necessary third party shall, at the Assignee's cost, promptly execute such documents and perform such acts as may reasonably be required for the purpose of giving full effect to this agreement.

4 Waiver

4.1 No failure or delay by a party to exercise any right or remedy provided under this agreement or by law shall constitute a waiver of that or any other right or remedy, nor

shall it preclude or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy.

5 Entire agreement

5.1 This agreement constitutes the whole agreement between the parties and supersedes all previous agreements between the parties relating to its subject matter.

5.2 Each party acknowledges that, in entering into this agreement, it has not relied on, and shall have no right or remedy in respect of, any statement, representation, assurance or warranty (whether made negligently or innocently) other than as expressly set out in this agreement.

5.3 Nothing in this clause shall limit or exclude any liability for fraud.

6 Variation

No variation of this agreement shall be effective unless it is in writing and signed by the parties (or their authorised representatives).

7 Severance

7.1 If any court or competent authority finds that any provision of this agreement (or part of any provision) is invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed to be deleted, and the validity and enforceability of the other provisions of this agreement shall not be affected.

7.2 If any invalid, unenforceable or illegal provision of this agreement would be valid, enforceable and legal if some part of it were deleted, the provision shall apply with the minimum modification necessary to make it legal, valid and enforceable.

8 Third party rights

8.1 No person other than a party to this agreement shall have any rights to enforce any term of this agreement.

9 Governing law and jurisdiction

- 9.1 This agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales.
- 9.2 The parties irrevocably agree that the courts of England and Wales shall have non-exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with this agreement or its subject matter or formation (including non-contractual disputes or claims).

This agreement has been entered into on the date stated at the beginning of it.
