ASSIGNMENT OF INVENTION

Whereas, Packing House Services, Inc. ("Owner") is the owner by assignment of the invention disclosed and claimed in the above captioned United States Utility Patent; and,

Whereas, DJT Investments LLC ("Assignee") is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of the sum of one dollar, the receipt whereof is hereby acknowledged, and for other good and valuable consideration, Owner hereby sells, assigns and transfers to Assignee the full and exclusive right, title and interest to said invention in the United States and its territorial possessions and in all foreign countries and to all Letters Patent or similar legal protection in the United States and its territorial possessions and in any and all foreign countries, including all rights to claim priority in and to any and all improvements which are disclosed in said invention, and to all Letters Patents to be obtained for said invention by the above application or any continuation, division, renewal, substitute or reissue thereof or any legal equivalent thereof.

Owner is free to make this assignment, has made no other assignment, sale or transfer relating to the invention, and is under no obligation to assign or license rights in the invention to any third party.

Owner hereby agrees to cooperate fully with Assignee to execute any and all documents that may be required by the United States Patent and Trademark Office and any foreign intellectual property rights to perfect the rights herein assigned. Owner further agrees to cooperate with Assignee in any court action relating to the validity or enforcement of rights in the invention.

Executed this 26<sup>th</sup> day of February, 20 15 at Yakima, Washington.

SIGNED

  
Jeffrey Odman, President
