Sir :

The attached documents for recordation include a copy of a Notorial Declaration evidencing an Assignment of Rights registered December 5, 2011 from Assignor Telecom Italia S.p.A. to Assignee Olivetti S.p.A. While the Notorial Declaration references a sixty-five (65) page Annex "D" listing the Intellectual Property Rights acquired by Assignee Olivetti S.p.A., in an effort to avoid recording 64 redacted pages, only a redacted copy of page 62 of Annex "D" is submitted for recordation with the Notorial Declaration. The noted redacted copy of page 62 identifies only the patent family of International Application No. PCT/EP2008/068370, of which the U.S. Application No. 13/142,775 is a U.S. National Stage.

Accordingly, as noted on the attached Recordation Cover Sheet, the Notorial Declaration is being recorded to evidence the assignment of International Application No. PCT/EP2008/068370 and its U.S. Application No. 13/142,775 from Telecom Italia S.p.A. to Olivetti S.p.A.

Further, Applicants note that the Notorial Declaration includes a typographical error in identifying the address of Olivetti S.p.A., which is located at Via Jervis 77, 10015 Ivrea (TO) Italy, not Via Jervis 177. Accordingly, the correct address for Assignee Olivetti S.p.A. is listed on the Recordation Cover Sheet for recordation.

Should there be any questions regarding this paper, please contact the undersigned at the below listed telephone number.

Respectfully submitted,
Davide CIAMPINI et al.
