ASSIGNMENT

We, Brian Tracey of 25 Marion Road, Arlington, MA 02474,
Srivathsan Krishnamachari of 110A Kinnaird Street, Cambridge, MA
02139 and Shai N. Gozani of 38 York Terrace, Brookline, MA
02446, having invented improvements in AUTOMATED STIMULUS
ARTIFACT REMOVAL FOR NERVE CONDUCTION STUDIES and having
executed an application for United States patent describing the
same and based thereon (and we hereby authorize our attorney(s),
authorized to prosecute said application, to here insert the
filing date and serial number of said application, when known,
Serial No. 11/584,184, filed 10/20/2006), for good and valuable
consideration, receipt of which is hereby acknowledged from
NeuroMetrix, Inc., a Delaware corporation having a place of
business at 62 Fourth Avenue, Waltham, MA 02451, hereinafter
called the Assignee (which term shall include its successors and
assigns), do hereby sell, assign and transfer unto the Assignee
our entire right, title, and interest, in and throughout the
United States of America (including its territories and
dependencies) and all countries foreign thereto, in and to and
under said application (which term shall include hereinafter
where the context so admits all divisional, continuing, reissue
and other patent applications based thereon) and the inventions
(which term shall include each and every such invention, or any
part thereof) therein described, and any and all patents and
like rights of exclusion (including extensions thereof) of any
country which may be granted on or for said inventions or on
said application.

And for the same consideration we do also hereby sell,
assign and transfer unto the Assignee all our rights under the
International Convention for the Protection of Industrial
Property and all other treaties of like purpose in respect of
said inventions and said application and we do hereby authorize
the Assignee to apply in our names or its own name for patents
and like rights of exclusion on or for said inventions in all
countries, claiming (if the Assignee so desires) the priority of
the filing date of said application under the provisions of said
Convention or any such other treaty;

And for the same consideration we do hereby jointly and
severally agree for ourselves and for our respective heirs,
executors and administrators, promptly upon request of the
Assignee, to execute and deliver without further compensation
any power of attorney, assignment, original, divisional,
continuing, reissue or other application or applications for

patent or patents or like rights of exclusion of any country, or other lawful documents and any further assurances that may be deemed necessary or desirable by the Assignee fully to secure to it said right, title, and interest as aforesaid in and to said inventions, application, and said several patents and like rights of exclusion, or any of them, all, however, at the expense of the Assignee;

And we do hereby authorize and request the Commissioner of Patents of the United States of America and the corresponding Officer of each country foreign thereto to issue to the Assignee any and all patents and like rights of exclusion which may be granted in any country upon said application or on or for said inventions;

And we do hereby jointly and severally covenant for ourselves and for our respective legal representatives and agree with the Assignee that we have granted no right or license to make, use or sell said inventions to anyone except the Assignee, that prior to the execution of this deed our right, title and interest in and to said inventions has not been otherwise encumbered by us, and that we have not executed and will not execute any instrument in conflict herewith.

IN WITNESS WHEREOF, we hereunto set our hands and seals on the day and year hereinafter noted.
