WHEREAS, pursuant to that certain Patent Security Agreement, dated as of May 22, 2001, made by ACS Coin for the benefit of Wells Fargo, successor in interest to Wachovia Bank, National Association, successor in interest to First Union National Bank, which was recorded by the United States Patent and Trademark Office at Reel 17537, Frame 0671 (the "Patent Security Agreement"), and together with the Trademark Security Agreement, collectively the "IP Security Agreements"), as amended by that certain First Amendment to Patent Security Agreement dated as of September 4, 2008, made by AC Coin for the benefit of Wells Fargo, which was recorded on September 30, 2008 by the United States Patent and Trademark Office at Reel 21603, Frame 0221 (the "First Patent Amendment"; the Patent Security Agreement, as amended by the First Patent Amendment and as further amended, supplemented or otherwise modified from time to time, the "Patent Agreement," and together with the Trademark Agreement, collectively the "IP Agreements"), AC Coin granted a security interest to Wells Fargo in all of AC Coin's present and future right, title and in and to the patents listed on Exhibit B attached hereto (the "ACS Patents"), along with the right to sue for past, present and future infringements, and the proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits, (all of the foregoing, collectively the "Patent Collateral", and together with the Trademark Collateral, collectively the "IP Collateral");

WHEREAS, AC Coin has agreed to sell the IP Collateral (the "Sale") to Buyer pursuant to the Purchase Agreement dated as of June 28, 2013 (the "Purchase Agreement") by and between AC Coin and Buyer; and

WHEREAS, Wells Fargo has agreed to release its security interest in the IP Collateral to facilitate the Sale.

NOW THEREFORE, in consideration for the premises herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Release of Security Interest. Upon transfer by Buyer of the purchase amount related to the Sale into the following Wells Fargo account: [REDACTED]
[REDACTED] Wells Fargo shall terminate, release and discharge its security interest in and to the IP Collateral, and all of the rights, title and interest in and to the IP Collateral originally granted to Wells Fargo pursuant to the Agreement shall hereby cease and become void. For the avoidance of doubt, release of Wells Fargo's security interest in the IP Collateral applies solely to the IP Collateral as described herein, and has no effect on Wells Fargo's security interest in any other personal property of AC Coin. Further, Buyer acknowledges and agrees that Wells Fargo is not making any representations or warranties as to the IP Collateral or the Sale.

2. Waiver and Release of Claims Against Buyer.

a. In consideration of the agreements of the Buyer in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Wells Fargo, on behalf of itself and its successors, assigns, and other legal representatives, hereby absolutely, unconditionally and irrevocably waives, releases, remises and forever discharges Buyer, and its successors and assigns, and its present and former shareholders, affiliates, subsidiaries, divisions, predecessors, directors, officers, attorneys, employees, agents and other representatives (each of Buyer and all such other Persons being hereinafter referred to collectively as the "Buyer Releasees" and individually as a "Buyer Releasee"), of and from all rights, demands, actions, causes of action, suits, covenants, contracts, controversies, agreements, promises, sums of money, accounts, bills, reckonings, damages and any and all other claims, counterclaims, defenses, rights of set off, demands and liabilities whatsoever (individually, a "Claim" and collectively, "Claims") of every name and nature, known or unknown, suspected or unsuspected, both at law and in equity, which Wells Fargo or any of its successors, assigns, or other legal representatives may now or hereafter own, hold, have or claim to have against the Buyer Releasees or any of them for or on account of, or in relation to, or in any way in connection with the Purchase Agreement, the Sale, the receipt or adequacy of notice of the Sale, any Claim that the Sale was not conducted in a commercially reasonable manner and any Claim that the sale was a fraudulent conveyance or fraudulent transfer.

b. Covenant Not to Sue. Wells Fargo, on behalf of itself and its successors, assigns, and other legal representatives, hereby absolutely, unconditionally and irrevocably, covenants and agrees with and in favor of each Buyer Releasee that it will not sue (at law, in equity, in any regulatory proceeding or otherwise) any Buyer Releasee on the basis of any Claim waived, released, remised and discharged by Wells Fargo pursuant to Section 2(a) above. If Wells Fargo or any of its successors, assigns or other legal representations violates the foregoing covenant, Wells Fargo, for itself and its successors, assigns and legal representatives, agrees to pay, in addition to such other damages as any Buyer Releasee may sustain as a result of such violation, all attorneys' fees and costs incurred by any Buyer Releasee as a result of such violation.

3. Waiver and Release of Claims Against Wells Fargo.

a. In consideration of the agreements of the Buyer in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Buyer, on behalf of itself and its successors, assigns, and other legal representatives, hereby absolutely, unconditionally and irrevocably waives, releases, remises and forever discharges Wells Fargo, and its successors and assigns, and its present and former shareholders, affiliates, subsidiaries, divisions, predecessors, directors, officers, attorneys, employees, agents and other representatives (each of Wells Fargo and all such other Persons being hereinafter referred to collectively as the "Wells Fargo Releasees" and individually as a "Wells Fargo Releasee"), of and from all Claims of every name and nature, known or unknown, suspected or unsuspected, both at law and in equity, which Buyer or any of its successors, assigns, or other legal representatives may now or hereafter own, hold, have or claim to have against the Wells Fargo Releasees or any of them for or on account of, or in relation to, or in any way in connection with the Purchase Agreement, the Sale, the receipt or adequacy of notice of the Sale, any Claim that the Sale was not conducted in a commercially reasonable manner and any Claim that the sale was a fraudulent conveyance or fraudulent transfer.

b. Covenant Not to Sue. Buyer, on behalf of itself and its successors, assigns, and other legal representatives, hereby absolutely, unconditionally and irrevocably, covenants and agrees with and in favor of each Wells Fargo Releasee that it will not sue (at law, in equity, in any regulatory proceeding or otherwise) any Wells Fargo Releasee on the basis of any Claim waived, released, remised and discharged by Buyer pursuant to Section 3(a) above. If Buyer or any of its successors, assigns or other legal representations violates the foregoing covenant, Buyer, for itself and its successors, assigns and legal representatives, agrees to pay, in addition to such other damages as any Wells Fargo Releasee may sustain as a result of such violation, all attorneys' fees and costs incurred by any Wells Fargo Releasee as a result of such violation.
