ASSIGNMENT

Title of Invention: MULTIPLE – SEE APPENDIX
Application Serial No.: MULTIPLE – SEE APPENDIX
Filing Date: MULTIPLE – SEE APPENDIX
Maywood IP Law Docket No.: MULTIPLE – SEE APPENDIX

Whereas, the undersigned inventor(s) has/have made certain inventions, improvements, and discoveries (herein referred to as the "Invention") disclosed in the Application;

Whereas, IMDS LLC, TOGETHER WITH ITS SUBSIDIARIES, having a place of business at 560 West Golf Course Road, Providence, Utah 84332; and Mikenclaud LLC, an Idaho Limited Liability Company, having a place of business at 5131 Whitaker Road, Chubbuck, Idaho 83202 (the "Assignees"), each desire to acquire, and each undersigned inventor desires to grant to Assignees, the entire worldwide right, title, and interest in and to the Invention and in and to any and all patent applications and patents directed thereto with relative shares of ownership between Mikenclaud LLC and IMDS LLC as set forth in that certain Joint Development Agreement effective November 11, 2011 and that certain Statement of Work #1 effective November 11, 2011, and any amendments pertaining thereto (the "Agreements");

Now, therefore, for good and valuable consideration, the receipt and sufficiency thereof being hereby acknowledged, each undersigned inventor hereby sells or has sold, assigns or has assigned, and otherwise transfers or has transferred to Assignees, their successors, legal representatives, and assigns, the entire worldwide right, title, and interest in and to the Invention, the Application, and any and all other patent applications and patents for the Invention which may be applied for or granted therefor in the United States and in all foreign countries and jurisdictions, including all divisions, continuations, reissues, reexaminations, renewals, extensions, counterparts, substitutes, and extensions thereof, and all rights of priority resulting from the filing of such applications and granting of such patents. Each undersigned inventor agrees that, if the data above regarding the Application is incomplete, the missing data may be added hereto after receipt of the same from the United States Patent and Trademark Office.

In addition, each undersigned inventor hereby authorizes and requests the Director of the United States Patent and Trademark Office to issue any United States Patent, and foreign patent authorities to issue any foreign patent, granted for the Invention, to Assignees, their successors, legal representatives, and assigns, the entire worldwide right, title, and interest in and to the same to be held and enjoyed by Assignees, their successors, legal representatives, and assigns to the full end of the terms for which any and all such patents may be granted, as fully and entirely as would have been held and enjoyed by the undersigned had this Assignment not been made; and each undersigned inventor agrees to execute any and all documents and instruments and perform all lawful acts reasonably related to recording this Assignment or perfecting title to the Invention and all related patents and applications, in Assignees, their successors, legal representatives, and assigns, whenever requested by Assignees, their successors, legal representatives, or assigns.

Each undersigned inventor acknowledges their prior and ongoing obligations to sell, assign, and transfer the rights under this Assignment to Assignees and is unaware of any reason why they may not have the full and unencumbered right to sell, assign, and transfer the rights hereby sold, assigned, and transferred, and has not executed, and will not execute, any document or instrument in conflict herewith. Each undersigned inventor also hereby grants Assignees, their successors, legal representatives, and assigns, the right to insert in this Assignment any further identification (including, but not limited to, patent Application Number) which may be necessary or desirable for recordation of this Assignment. This Assignment is governed by the substantive laws of the State of Utah, and any disputes will be resolved in a Utah state court or federal court sited in Utah.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.
