Declaration and Assignment

Title of Invention: TOOTHBRUSH

As below-named inventor, I hereby declare that:

This declaration is directed to:

☒ The application attached hereto; or

☐ United States Application or PCT International Application Number _____
filed on _____.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application. I have reviewed and understand the contents of the above-identified specification, including the claims. I acknowledge the duty to disclose information, which is material to patentability as defined in Title 37, Code of Federal Regulations, §1.56.

WHEREAS, NEOB CO., LTD., organized and existing under the laws of Republic of Korea, whose address is B-109, Business Incubator, Catholic University of Pusan, Bugok 3-dong, Geumjeong-gu, Busan, 609-757 Republic of Korea, and LEE, PAL HYUNG, whose address is #207-1404, Pyungni Prugio APT, Pyungni-dong, Seo-gu, Daegu, 703-771 Republic of Korea, and, together with its successors and assigns is hereinafter called "Assignees", and is desirous of acquiring the title, rights, benefits and privileges hereinafter recited,

NOW THEREFORE, for valuable consideration furnished by Assignees to me/us, receipt and sufficiency of which I/we hereby acknowledge, I/we hereby, without reservation:

1. Assign, transfer and convey to Assignees the entire right, title and interest, as a full and undivided interest to be held as co-owners, in and to said inventions and discoveries, said application for Letters Patent of the United States of America, any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all divisional, renewal, substitute, continuation and convention applications based in whole or in part upon said inventions or discoveries, or upon said applications, and any and all Letters Patent, reissues and extensions of Letters Patent granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications and said Letters Patent;

2. Authorize Assignees to file patent applications in any or all countries on any or all of said inventions and discoveries in my/our name(s) or in the name of Assignees or otherwise as Assignees may deem advisable, under the International Convention or otherwise;

3. Authorize and request the Commissioner of Patents of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patents to Assignees, as assignee of the entire right, title and interest therein or otherwise as Assignees may direct;

4. Warrant that I/we have not knowingly conveyed to others any right in said inventions, discoveries, applications or patents or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries; and that I/we have good right to assign the same to Assignees without encumbrance;

Declaration and Assignment

5. Bind my/our heirs, legal representatives and assigns, as well as myself/ourselves, to do, upon Assignees' request and at Assignees' expense, but without additional consideration to me/us or them, all acts reasonably serving to assure that said inventions and discoveries, said patent applications and said Letters Patent shall be held and enjoyed by Assignees as fully and entirely as the same could have been held and enjoyed by me/us, my/our heirs, legal representatives and assigns if this assignment had not been made; and particularly to execute and deliver to Assignees all lawful application documents, including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignees; to communicate to Assignees all facts known to me/us relating to said inventions and discoveries or the history thereof; and to furnish Assignees with any and all documents, photographs, models, samples and other physical exhibits in my/our control or in the control of my/our heirs, legal representatives or assigns, which may be useful for establishing the facts of my/our conceptions, disclosures, and reduction to practice of said inventions and discoveries; and

6. Acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.

IN WITNESS WHEREOF, I/we the inventor(s), have hereunto duly executed this Declaration and Assignment.
