ASSIGNMENT

Cerenis Therapeutics SA (herein referred to as "Assignor"), a corporation duly organized under and pursuant to the laws of France, and having its principal place of business at BP 87519, Rue de la Découverte, Labège Cedex, France 31675, owns the entire right, title and interest in all patents and patent applications set forth in **Attachment A**, as well as all inventions disclosed in patent applications and patents.

WHEREAS, **Cerenis Therapeutics Holding SA** (herein referred to as "Assignee"), a corporation duly organized under and pursuant to the laws of France, and having its principal place of business at 265 Rue de la Découverte - Bât. A, F-31670 Labège, France, is desirous of acquiring the entire right, title, and interest in and to the inventions, patent applications and patents, the right to file applications on the inventions, the entire right, title and interest in and to all patent applications of the United States and of all foreign countries, the right to recover damages, including provisional rights and other royalties, for prior, present or future infringements of the patent applications and the patents, and the entire right, title, and interest in and to all patents, United States or foreign, to be obtained for the inventions and the patent applications;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor by these presents does hereby sell, assign, transfer, and set over, unto the Assignee, its successors, legal representatives, and assigns the entire right, title, and interest in and to the inventions, patent applications and patents, the right to file patent applications on the inventions, the entire right, title and interest in and to all patent applications of the United States and of all foreign countries, including divisions, continuations, and continuations-in-part of the patent applications and patents, the right to recover damages, including provisional rights and other royalties, for prior, present or future infringement of the patent applications and patents, the entire right, title and interest in and to patents, United States or foreign, to be obtained for the inventions and the patent application, the entire right, title and interest in and to all reissues and extensions of the patents, and all rights under the Hague Convention, the Paris Convention for the Protection of Industrial Property, and under the Patent Cooperation Treaty, the same to be held and enjoyed by the Assignee, for its own use and behalf and the use and behalf of its successors, legal representatives, and assigns, to the full end of the term or terms for which the patents may be granted as fully and entirely as the same would have been held and enjoyed by the Assignor had this sale and assignment not been made;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns, that, at the time of execution and delivery of these presents, the Assignor is the sole and lawful owner of the entire right, title, and interest in and to the inventions, the patent applications and the patents, and that the same are unencumbered, and that the Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns that the Assignor will, whenever Assignee, counsel of the Assignee, Assignee's successors, legal representatives, and assigns, or counsel of the Assignee's successors, legal representatives, and assigns shall advise that any proceeding in connection with the inventions, patent applications or patents, any application

claiming priority to the patent applications, any reissue or extension of the patents, and any United States or foreign patents for the inventions or patent applications, including interference proceedings, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of the patents for the inventions, without charge to the Assignee, its successors, legal representatives, and assigns, but at the cost and expense of the Assignee, its successors, legal representatives, and assigns;

AND the Assignor hereby requests the Commissioner of Patents to issue any and all aforementioned patents of the United States to the Assignee, as the Assignee of the inventions and patents to be issued thereon for the sole use and behalf of the Assignee, its successors, legal representatives, and assigns.
