Patent Assignment Agreement

This Patent Assignment Agreement ("Agreement") is entered into by and between Wacom Co., Ltd., a Japanese corporation with its registered address at 2-510-1, Toyonodai, Kazo-shi, Saitama, 349-1148, Japan ("Wacom") and Waltop International Corporation, a Taiwanese corporation with its registered address at 1F., No. 30, Gongye E. 9th Rd., Hsinchu Science Park, Hsinchu County, Taiwan ("Waltop").

WHEREAS, Waltop currently owns or has the right to the patents, utility models and applications thereof, knowhow, copyrights and other intellectual properties identified on **Attachment 1** hereto ("Patents"). While Waltop wishes to assign the Patents to Wacom, Wacom desires to accept such assignment.

NOW, THEREFORE, the parties agree to the following terms and conditions:

1. Waltop hereby, without consideration, assigns to Wacom, absolutely with full title guarantee, all of Waltop's right, title and interest in and to the Patents, and in and to all and any inventions disclosed in the Patents, including but not limited to the right to bring, make, oppose, defend, appeal proceedings, claims or actions and obtain relief and claim damages and seek all other remedies against any third party's infringement of the Patents which occurred prior to, on or after the assignment of the Patent, the right and interest to claim priority related to the Patents as well as all other emoluments, interests, profits, and benefits arising therefrom including but not limited to prosecute and obtain grant of patents and the right to extend to any country or territory in the world each and any of the Patents, the right to file divisional applications based on the Patents and to prosecute and obtain grant of patent on each and any such divisional application. Wacom agrees to accept such assignment of the Patents.
2. In order to enable Wacom to apply for and complete the recordation of the assignment with the relevant patent authority, Waltop agrees to take all necessary actions and measures at its own cost to assist Wacom, including but not limited to executing or having executed by the inventors any necessary documents for such recordation, providing the original of patent certificate, etc.
3. This Agreement is governed by the Japanese laws and regulations, is executed in duplicate in English by the authorized representatives of both parties, and will become effective on the date on which the last party executes this Agreement.
