ASSIGNMENT

THIS ASSIGNMENT, is made effective as of March 12, 2015 (the "Effective Date") by David William Larsen, residing at 102 Augusta Avenue, #203, DeKalb, IL 60115 (hereinafter referred to as the "Assignor"), witnesseth:

WHEREAS, the Assignor has conceived and reduced to practice an invention associated with **CLAMSHELL PACKAGE AND METHOD OF FORMING THE SAME** (hereinafter referred to as the "Invention"),

for which a patent application is being filed herewith; or

for which Assignor has filed a patent application for United States Letters Patent on _____, under Application No. _____; and

Assignor hereby authorizes Applicant's representative to fill in preceding information relating to the filing date and/or serial number, as appropriate.

WHEREAS, **SONOCO DEVELOPMENT, INC.** a corporation of South Carolina whose address is 125 W. Home Avenue, Hartsville, SC 29550 (hereinafter referred to as "Assignee"), is desirous of securing the entire right, title, and interest in and to this Invention in all countries throughout the world, and in and to the application for United States Letters Patents on this Invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, Assignor has sold, assigned, transferred, and set over, and do hereby sell, assign, transfer and set over unto Assignee, its lawful successors and assigns, Assignors' entire right, title, and interest in and to this Invention including any previously or subsequently filed provisional applications, all utilities, divisions, continuations, and continuations-in-part thereof, and all rights to claim priority on the basis of such application, and all applications for Letters Patent which may hereafter be filed for this Invention in any foreign country and all Letters Patent which may be granted on this Invention in any foreign country, and all extensions, renewals, and reissues thereof; and the Assignors hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this Invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, ASSIGNOR HEREBY covenants that he has the full right to convey the interest assigned by this Assignment, and has not executed and will not execute any agreement in conflict with this Assignment;

AND, ASSIGNOR HEREBY further covenants and agrees that he will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to

Assignor respecting this Invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this Invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this Invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, the Assignor and Assignee have hereunto set their hands.
