PATENT ASSIGNMENT

WHEREAS, Innercool Therapies, Inc., a California corporation ("Assignor"), having had a place of business at 3931 Sorrento Valley Road, San Diego, California 92121, is the sole owner of all right, title and interest for the United States, its territorial possessions and in all foreign countries in and to, any and all inventions and improvements which are claimed and/or disclosed in each of the United States patents and patent applications listed on Exhibit A attached hereto (the "Listed Patents and Patent Applications"); and in any and all patent applications and rights to file patent applications, in the U.S. or a foreign country, that claim or may claim priority to one or more of the Listed Patents and Patent Applications; and in any and all Letters Patent presently obtained or to be obtained for each said invention claimed and/or described in any of the Listed Patents and Patent Applications or any continuation, division, continuation-in-part, extension or substitute thereof, and any reissue, reexamination or extension of said Listed Patents and Patent Applications or Letters Patent; and all rights in and to any and all causes of action heretofore or hereafter accrued or accruing for infringement or threatened or alleged infringement of any of the Listed Patents or patents arising from any of the Listed Patents or Patent Applications; and any and all associated rights under all International Conventions for the Protection of Industrial Property, by virtue of assignment from all of the inventors of each such case, whether or not such assignment has been recorded with the United States Patent and Trademark Office (each of the above rights, titles and interests being individually referred to as a "Patent Right" and collectively as the "Patent Rights"); and

WHEREAS, Innercool Therapies, Inc., a Delaware corporation, currently having a place of business at 3611 Valley Centre Drive, Suite 525, San Diego, California 92130 and expected to have a place of business at 3931 Sorrento Valley Road, San Diego, California 92121, together with any successors, legal representatives or assigns ("Assignee"), wishes to acquire the entire right, title and interest in the Patent Rights;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor, by these presents does sell, assign and transfer to the Assignee the entire right, title and interest in and to the Patent Rights to the full end of the term for which the Patent Rights are granted;

The Assignor covenants that it has the full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict with this Patent Assignment; and

The Assignor further covenants and agrees that it will cooperate in any legal proceeding, cause to be executed all lawful papers, cause to be executed all reissue applications, cause to be made all rightful oaths and generally aid Assignee to enforce the Patent Rights.

IN TESTIMONY WHEREOF, the undersigned, intending to be legally bound, have duly executed this Assignment effective as of March 8, 2006.
