AGREEMENT TO ASSIGN

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are acknowledged, I, Rex Michau, agree to promptly disclose in writing to International Transport Equipment Company ("ITE") all discoveries, developments, designs, ideas, improvements, inventions, formulas, processes, techniques, know-how, documentation, data and all other proprietary rights made, conceived, reduced to practice, or learned by me either alone or jointly with others (collectively referred to herein as "Patent Rights"), anywhere in the world, in regard to a forty-foot intermodal liquid tank system and related methods.

I acknowledge that all Patent Rights belong to and shall be the sole property of ITE. I hereby assign to ITE all right, title and interest I may have or may acquire in and to all Patent Rights. I agree to sign and deliver to ITE at any time such documents as ITE considers desirable to evidence the assignment of all Patent Rights to ITE and ITE's ownership of such Patent Rights, anywhere in the world.
