## PATENT ASSIGNMENT

This PATENT ASSIGNMENT ("Assignment") is made as of this 26<sup>th</sup> day of FEBRUARY, 2015, by Contraptions, LLC, a Limited Liability Company duly organized and existing under laws of the State of Texas ("Assignor"), to Velocity Zulu, LLC, a Limited Liability Company duly organized and existing under the laws of the State of Texas ("Assignee").

### WITNESSETH

WHEREAS, Assignor has agreed to execute such instrument as Assignee may reasonably request in order to more effectively assign, transfer, grant, convey, assure, and confirm to Assignee and its successors and assigns all right, title, and interest of Assignor in, to, and under certain intellectual property assets; and

WHEREAS, in accordance therewith, Assignor desires to assign to Assignee all of Assignor's worldwide right, title, and interest in, to, and under all of Assignor's intellectual property including, without limitation, United States Patent No. 8,590,167 issued November 26, 2013, and the invention described therein, including any divisions, continuations, or continuations-in-part thereof that have been or may be filed, any utility applications claiming priority thereto, any reissues, renewals, or extensions thereof, any patent application which has been or may be filed on the invention in countries foreign to the United States of America, and any patents granted thereon (collectively, the "Patent").

NOW, THEREFORE, Assignor, for and in exchange for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby assign, transfer, grant, and convey to Assignee, free and clear of all pledges, security interests, liens, charges, encumbrances, equities, claims, options, or limitation of every kind, except for certain lien(s) set forth and preserved in the Agreement, all of Assignor's worldwide right, title, and interest in, to, and under the Patent, together with the goodwill of the business associated therewith and which is symbolized thereby, all rights to sue for infringement thereof, whether arising on, prior to, or subsequent to the date of this Assignment, any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States and in any other jurisdiction, and all priority rights in the United States and all foreign countries, the same to be held and enjoyed by Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by Assignor had the Assignment not been made.

Assignor agrees to execute, acknowledge, and deliver to Assignee, at Assignee's request, any and all further documents, papers, affidavits, statements, and/or other instruments, whether or not in paper or electronic form, to confirm Assignee's ownership of all rights pursuant to this Assignment.

This Assignment shall be binding upon the successors and assigns of Assignor and inure to the benefit of the successors and assigns of Assignee.

Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment shall be governed by and construed in accordance with the laws of the State of Texas without giving effect to the principles of conflicts of laws thereof.

IN WITNESS WHEREOF, Assignor has caused its duly authorized officer to execute this Assignment as of the date first above written.

**ASSIGNOR:**  
**Contraptions, LLC**

By:   
Kyle L. Odom, Director

STATE OF TEXAS )

COUNTY OF RANDALL )
