PATENT ASSIGNMENT AND POWER OF ATTORNEY

The undersigned inventors, the Assignors, being all of the inventors and the current application-applicants/patent-owners, for valuable consideration, hereby acknowledged, do hereby assign 100% full and undivided interest and title in the below named patent-applications/patents and inventions, the Assets, including any reissues, extensions and continuations, to the below named new owner, the Assignee.

Assignors further agrees to: (a) cooperate with Assignee in the protection of the patent rights and prosecution and protection of foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including patent applications, prosecution documents and communications and instruments of transfer; and (c) perform such other acts as Assignee lawfully may request to obtain or maintain the Patent and any and all applications and registrations for the invention in any and all countries. In the event of sale or transfer of ownership or patent rights, of the below named Assets, from the below named Assignee, the current Assignors may reasonably charge for time and costs required to execute the tasks (a), (b), and (c) of this paragraph.

Assignors further provide and agree to a Power of Attorney for representation before the US Patent and Trademark of all patent-related matters for the below named assets, until such power is revoked, to Kim T. Rubin, US Patent Agent 67.900.
