PATENT ASSIGNMENT

This Patent Assignment ("Assignment") is made and entered into as of March 26, 2015 ("Effective Date") by and between Craig J. Petersen ("Assignor"), and Millennium Marking Company, an Illinois corporation ("Assignee") having a place of business at 2600 Greenleaf Ave., Elk Grove Village IL 60007.

WHEREAS, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, the United States patents and United States patent applications identified on Exhibit A attached hereto (the "Patents"); and

WHEREAS, Assignor is the sole and exclusive owner of the entire right, title and interest in, to and under the Patents.

NOW, THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged by Assignor and paid by Assignee to Assignor, the parties hereto agree as follows:

1. Assignor does hereby sell, assign, transfer and set over to Assignee, the entire right, title and interest in and to the Patents, for the United States and for all foreign countries, together with all future patent applications including but not limited to any continuations, divisions, continuations-in-part, reissues, reexaminations, extensions or foreign equivalents thereof, and including the subject matter of all claims which may be obtained therefrom and all inventions contained therein the Patents for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made; together with all income, royalties, damages or payments due or payable as of the Effective Date or thereafter, including, subject to the terms of the Agreement, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Patents, with the right to sue for, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

2. Assignor authorizes and requests the Commissioner of Patents and Trademarks or the foreign equivalent thereof to record Assignee as owner of the Patents, including any future patent applications, continuations, divisions, continuations-in-part, reissues, reexaminations or extensions thereof, and to issue any and all letters patent of the United States or the applicable foreign country thereon to Assignee, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

3. Assignor shall provide Assignee, its successors, assigns or other legal representatives, all such cooperation and assistance at Assignee's reasonable request and expense (including the execution and delivery of any and all affidavits, declarations, oaths, exhibits, assignments, powers of attorney or other documentation as may be reasonably required): (1) in the preparation and prosecution of any applications covering the inventions assigned herein; (2) in the prosecution or defense of any interference, opposition, reexamination, reissue, infringement or other proceedings that may arise in connection with any of the Patents or patent

rights assigned herein, including, but not limited to, testifying as to any facts relating to the Patents or patent rights assigned herein and this Assignment; (3) in obtaining any additional patent protection that Assignee may deem appropriate which may be secured under the laws now or hereafter in effect in the United States or any other country; and (4) in the implementation or perfection of this Assignment.

4. This Assignment shall be governed by and construed in accordance with the domestic laws of the State of Illinois.

5. The parties may execute this Assignment in multiple counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument. A facsimile of any executed counterpart transmitted electronically by e-mail or fax shall be as binding as an original signature.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by their duly authorized representatives as of the Effective Date.
