**AMENDED AND RESTATED
CERTIFICATE OF INCORPORATION
OF
LOCOMOBI INC.**

The undersigned, Grant Furlane, hereby certifies that:

1. The undersigned is the duly elected and acting President of LocoMobi Inc., a Delaware corporation.
2. The Certificate of Incorporation of this corporation was originally filed with the Secretary of State of Delaware on March 9, 2010 under the name of Onti Corporation.
3. The Amended and Restated Certificate of Incorporation of this corporation shall be amended and restated to read in full as follows:

ARTICLE I

"The name of this corporation is LocoMobi Inc. (the "Corporation").

ARTICLE II

The address of the Corporation's registered office in the state of Delaware is 920 North King Street, 2nd Floor, in the city of Wilmington, county of New Castle, Zip Code 19801. The name of its registered agent at such address is RL&F Service Corp.

ARTICLE III

The purpose of the Corporation is to engage in any lawful act or activity for which corporations may be organized under the Delaware General Corporation Law.

ARTICLE IV

(A) **Classes of Stock.** The Corporation is authorized to issue two classes of stock to be designated, respectively, "Common Stock" and "Preferred Stock." The total number of shares which the Corporation is authorized to issue is 116,878,378 shares, each with a par value of \$0.00001 per share. 70,000,000 shares shall be Common Stock and 46,878,378 shares shall be Preferred Stock.

(B) **Powers, Rights, Preferences, Privileges and Restrictions of Preferred Stock.** The Preferred Stock authorized by this Amended and Restated Certificate of Incorporation (the "Restated Certificate") shall be divided into series as provided herein. 41,878,378 shares of Preferred Stock shall be designated "Series A Preferred Stock". 5,000,000 shares of Preferred Stock shall be designated "Series A-1 Preferred Stock". The powers, rights, preferences, privileges and restrictions granted to and imposed on the Series A Preferred Stock and Series A-1 Preferred Stock are as set forth below in this Article IV(B).

1. **Dividend Provisions.** The holders of shares of Preferred Stock shall be entitled to receive dividends, on a pari passu basis, out of any assets legally available therefor, prior and in preference to any declaration or payment of any dividend (payable other than in Common Stock or other securities and rights convertible into or entitling the holder thereof to receive, directly or indirectly, additional shares of Common Stock of the Corporation) on the Common Stock of the Corporation, at the rate of (a) \$0.0237 per share (as adjusted for stock splits, stock dividends, reclassification and the like) per annum on each outstanding share of Series A Preferred Stock then held by them and (b) \$0.04 per share (as adjusted for stock splits, stock dividends, reclassification and the like) per annum on each outstanding share of Series A-1 Preferred Stock then held by them; payable when, as and if declared by the Board of Directors of the Corporation (the "**Board of Directors**"), calculated on the record date for determination of holders entitled to such dividend. Such dividends shall not be cumulative. After payment of such dividends, any additional dividends shall be distributed among the holders of Preferred Stock and Common Stock pro rata based on the number of shares of Common Stock then held by each holder (assuming conversion of all such Preferred Stock into Common Stock), calculated on the record date for determination of holders entitled to such dividend.

2. **Liquidation.**

(a) **Preference.** In the event of any liquidation, dissolution or winding up of the Corporation, either voluntary or involuntary, or Liquidation Transaction (as defined below), the holders of Preferred Stock shall be entitled to receive, on a pari passu basis, prior and in preference to any distribution of any of the assets of the Corporation to the holders of Common Stock, by reason of their ownership thereof, an amount per share equal to (i) \$0.2960 per share (as adjusted for stock splits, stock dividends, reclassification and the like) for each outstanding share of Series A Preferred Stock then held by them, plus any declared but unpaid dividends on such shares of Series A Preferred Stock, and (ii) \$0.50 per share (as adjusted for stock splits, stock dividends, reclassification and the like) for each outstanding share of Series A-1 Preferred Stock then held by them, plus any declared but unpaid dividends on such shares of Series A-1 Preferred Stock. If, upon the occurrence of such event, the assets and funds thus distributed among the holders of Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then the entire assets and funds of the Corporation legally available for distribution shall be distributed ratably among the holders of Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive under this Section 2(a).

(b) **Remaining Assets.** Upon the completion of the distribution required by Article IV(B)2(a) above, if assets remain in the Corporation, the holders of the Common Stock of the Corporation shall receive all of the remaining assets of the Corporation pro rata based on the number of shares of Common Stock held by such holders of Common Stock.

(c) **Deemed Conversion.** Notwithstanding the above, for purposes of determining the amount each holder of shares of Preferred Stock is entitled to receive with respect to a Liquidation Transaction, as defined below, each such holder of shares of a series of Preferred Stock shall be deemed to have converted (regardless of whether such holder actually converted) such holder's shares of such series into shares of Common Stock immediately prior to

the Liquidation Transaction if, as a result of an actual conversion, such holder would receive, in the aggregate, an amount greater than the amount that would be distributed to such holder if such holder did not convert such series of Preferred Stock into shares of Common Stock. If any such holder shall be deemed to have converted shares of Preferred Stock into Common Stock pursuant to this paragraph, then such holder shall not be entitled to receive any distribution that would otherwise be made to holders of Preferred Stock that have not converted (or have not been deemed to have converted) into shares of Common Stock.

(d) **Certain Acquisitions.**

(i) **Deemed Liquidation.** For purposes of this Article IV(B)2, a liquidation, dissolution or winding up of the Corporation shall be deemed to occur if the Corporation shall sell, lease, exclusively license, convey or otherwise dispose of all or substantially all of its assets, property or business or merge with or into or consolidate with any other corporation, limited liability company or other entity (other than a wholly-owned subsidiary of the Corporation) (any such transaction, a "Liquidation Transaction"), provided that none of the following shall be considered a Liquidation Transaction: (A) a merger effected exclusively for the purpose of changing the domicile of the Corporation, (B) an equity financing in which the Corporation is the surviving corporation or (C) a transaction in which the stockholders of the Corporation immediately prior to the transaction have sufficient rights (by law or contract) to elect or designate 50% or more of the directors of the surviving corporation following the transaction (as appropriately adjusted for any disparate director voting rights). In the event of a merger or consolidation of the Corporation that is deemed pursuant to this subsection (i) to be a Liquidation Transaction, all references in this Article IV(B)2 to "assets of the Corporation" shall be deemed instead to refer to the aggregate consideration to be paid to the holders of the Corporation's capital stock in such merger or consolidation. Nothing in this subsection (i) shall require the distribution to stockholders of anything other than proceeds of such transaction in the event of a merger or consolidation of the Corporation. Notwithstanding the foregoing, the treatment of any transaction as a Liquidation Transaction may be waived by the vote or written consent of the holders of at least a majority of the shares of the Corporation's then-outstanding Preferred Stock, voting together as a single class on an as-converted basis.

(ii) **Valuation of Consideration.** In the event of a deemed liquidation as described in Article IV(B)2(d)(i) above, if the consideration received by the Corporation is other than cash, its value will be deemed its fair market value. Any securities shall be valued as follows:

(A) Securities not subject to investment letter or other similar restrictions on free marketability:

(1) If traded on a securities exchange, the value shall be based on a formula approved by the Board of Directors, and derived from the closing prices of the securities on such exchange over a specified time period;

(2) If actively traded over-the-counter, the value shall be based on a formula approved by the Board of Directors, and derived from the closing bid or sales prices (whichever is applicable) of such securities over a specified time period; and

(3) If there is no active public market, the value shall be the fair market value thereof, as determined in good faith by the Board of Directors.

(B) The method of valuation of securities subject to investment letter or other restrictions on free marketability (other than restrictions arising solely by virtue of a stockholder's status as an affiliate or former affiliate) shall be to make an appropriate discount from the market value determined as specified in Article IV(B)2(d)(ii)(A) above to reflect the approximate fair market value thereof, as determined in good faith by the Board of Directors.

(C) The foregoing methods for valuing non-cash consideration to be distributed in connection with a Liquidation Transaction shall, with the appropriate approval of the definitive agreements governing such Liquidation Transaction by the stockholders under the Delaware General Corporation Law and Article IV(B)5(b) below, be superseded by the determination of such value set forth in the definitive agreements governing such Liquidation Transaction.

(iii) **Allocation of Escrow and Contingent Consideration.** In the event of a Liquidation Transaction pursuant to Article IV(B)2, if any portion of the consideration payable to the stockholders of the Corporation is payable only upon satisfaction of contingencies (the "Additional Consideration"), the Merger Agreement shall provide that (a) the portion of such consideration that is not Additional Consideration (such portion, the "Initial Consideration") shall be allocated among the holders of capital stock of the Corporation in accordance with Articles IV(B)2(a), IV(B)2(b) and IV(B)2(c) as if the Initial Consideration were the only consideration payable in connection with such Liquidation Transaction and (b) any Additional Consideration which becomes payable to the stockholders of the Corporation upon satisfaction of such contingencies shall be allocated among the holders of capital stock of the Corporation in accordance with Articles IV(B)2(a), IV(B)2(b) and IV(B)2(c) after taking into account the previous payment of the Initial Consideration as part of the same transaction. For the purposes of this Article IV(B)2(d)(iii), consideration placed into escrow or retained as holdback to be available for satisfaction of indemnification or similar obligations in connection with such Liquidation Transaction shall be deemed to be Additional Consideration.

3. **Redemption.** The Preferred Stock is not mandatorily redeemable.

4. **Conversion.** The holders of shares of Preferred Stock shall be entitled to conversion rights as follows:

(a) **Right to Convert.** Subject to Article IV(B)4(c) below, each share of Preferred Stock shall be convertible, at the option of the holder thereof, at any time after the date of issuance of such share, at the office of the Corporation or any transfer agent for such stock, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing (x) \$0.2960 (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like with respect to the Series A Preferred Stock) in the case of the Series A Preferred Stock and (y) \$0.50 (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like with respect to the Series A-1 Preferred Stock) in the case of the Series A-1 Preferred Stock, by the Conversion

Price applicable to such shares (the conversion rate for Preferred Stock into Common Stock is referred to herein as the "Conversion Rate"), determined as hereafter provided, in effect on (i) the date the certificate is surrendered for conversion or (ii) in the case of uncertificated securities, the date the notice of conversion is received by the Corporation. The initial Conversion Price per share shall be (I) \$0.2960 (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like) in the case of the Series A Preferred Stock and (II) \$0.50 (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like) in the case of the Series A-1 Preferred Stock. Such initial Conversion Prices shall be subject to adjustment as set forth in Article IV(B)4(d) below.

(b) **Automatic Conversion.** Each share of Preferred Stock shall automatically be converted into shares of Common Stock at the Conversion Rate then in effect for such share immediately upon the earlier of (i) except as provided in Article IV(B)4(c) below, the Corporation's sale of its Common Stock in a firm commitment underwritten public offering pursuant to a registration statement under the Securities Act of 1933, as amended (the "Securities Act"), the public offering price of which is not less than \$1.1840 per share (as adjusted for stock splits, stock dividends, reclassification and the like) and which results in aggregate cash proceeds to the Corporation of not less than \$30,000,000, net of underwriting discounts and commissions or (ii) the date specified by vote or written consent of the holders of 66-2/3% of the then outstanding shares of Preferred Stock, voting together as a single class on an as-converted basis.

(c) **Mechanics of Conversion.** Before any holder of Preferred Stock shall be entitled to convert such Preferred Stock into shares of Common Stock, the holder shall give written notice to the Corporation at its principal corporate office, of the election to convert the same and shall state therein the name or names in which the shares of Common Stock are to be issued and, in the case of Preferred Stock represented by a certificate, the holder shall surrender the certificate or certificates therefor, duly endorsed, at the office of the Corporation or of any transfer agent for such series of Preferred Stock. The Corporation shall, as soon as practicable thereafter, issue and deliver at such office to such holder of Preferred Stock, or to the nominee or nominees of such holder, a certificate or certificates or, in the case of uncertificated securities, a notice of issuance, for the number of shares of Common Stock to which such holder shall be entitled as aforesaid. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of certificates, or in the case of uncertificated securities, on the date such notice of conversion is received by the Corporation, and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock as of such date. If the conversion is in connection with a firm commitment underwritten public offering of securities, the conversion may, at the option of any holder tendering such Preferred Stock for conversion, be conditioned upon the closing of the sale of securities pursuant to such offering, in which event any persons entitled to receive Common Stock upon conversion of such Preferred Stock shall not be deemed to have converted such Preferred Stock until immediately prior to the closing of such sale of securities.

(d) **Conversion Price Adjustments of Preferred Stock for Certain Dilutive Issuances, Splits and Combinations.** The Conversion Price of the Preferred Stock shall be subject to adjustment from time to time as follows:

(i) **Issuance of Additional Stock Below Purchase Price.** If the Corporation should issue, at any time after the date upon which any shares of Series A-1 Preferred Stock were first issued (the "Purchase Date"), any Additional Stock (as defined below) without consideration or for a consideration per share less than the Conversion Price for the applicable series of Preferred Stock in effect immediately prior to the issuance of such Additional Stock (as adjusted for stock splits, stock dividends, reclassification and the like), the Conversion Price for such series in effect immediately prior to each such issuance shall automatically be adjusted as set forth in this Article IV(B)4(d)(i), unless otherwise provided in this Article IV(B)4(d)(i).

(A) **Adjustment Formula.** Whenever the Conversion Price is adjusted pursuant to this Article IV(B)4(d)(i), the new Conversion Price for such series shall be determined by multiplying the Conversion Price for such series then in effect by a fraction, (x) the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such issuance (the "Outstanding Common") plus the number of shares of Common Stock that the aggregate consideration received by the Corporation for such issuance would purchase at such Conversion Price; and (y) the denominator of which shall be the number of shares of Outstanding Common plus the number of shares of such Additional Stock. For purposes of the foregoing calculation, the term "Outstanding Common" shall include shares of Common Stock deemed issued pursuant to Article IV(B)4(d)(i)(E) below.

(B) **Definition of "Additional Stock".** For purposes of this Article IV(B)4(d)(i), "Additional Stock" shall mean any shares of Common Stock issued (or deemed to have been issued pursuant to Article IV(B)4(d)(i)(E) below) by the Corporation after the Purchase Date, other than the following securities (collectively, "Exempted Securities"):

(1) securities issued pursuant to stock splits, stock dividends or similar transactions, as described in Article IV(B)4(d)(ii) below;

(2) securities issuable upon conversion, exchange or exercise of convertible, exchangeable or exercisable securities outstanding as of the Purchase Date including, without limitation, warrants, notes or options;

(3) Common Stock (or options therefor) issued or issuable to employees, consultants, officers or directors of the Corporation pursuant to stock option plans or restricted stock plans or agreements approved by the Board of Directors, including one of the Preferred Directors (as defined below);

(4) Common Stock issued or issuable in a public offering in connection with which all outstanding shares of Preferred Stock are converted to Common Stock;

(5) securities issued or issuable in connection with the acquisition by the Corporation of another company or business which is approved by the Board of Directors, including one of the Preferred Directors;

(6) securities issued or issuable to banks, financial institutions, equipment lessors, brokers, real property lessors or similar persons in

connection with commercial credit arrangements, equipment financings, commercial property lease transactions, real property lease transactions or similar transactions approved by the Board of Directors, including one of the Preferred Directors;

(7) securities issued or issuable to an entity as a component of any business relationship with such entity primarily for the purpose of (a) joint venture, technology licensing or development activities approved by the Board of Directors, including one of the Preferred Directors, (b) distribution, supply or manufacture of the Corporation's products or services arrangements that are approved by the Board of Directors, including one of the Preferred Directors, or (c) any other arrangements involving corporate partners that are primarily for purposes other than raising capital, the terms of which business relationship with such entity are approved by the Board of Directors, including one of the Preferred Directors;

(8) Common Stock issued or issuable upon conversion of the Preferred Stock; and

(9) securities issued or issuable in any other transaction for which exemption from these price-based antidilution provisions is approved before the issuance of the securities by the affirmative vote of at least a majority of the then-outstanding shares of Preferred Stock, voting together as a single class on an as-converted basis.

(C) **No Fractional Adjustments.** No adjustment of the Conversion Price for the Preferred Stock shall be made in an amount less than one cent per share (as adjusted for any stock splits, stock dividends, combinations, subdivisions, recapitalizations or the like), provided that any adjustments which are not required to be made by reason of this sentence shall be carried forward and shall be either taken into account in any subsequent adjustment made prior to three years from the date of the event giving rise to the adjustment being carried forward, or shall be made at the end of three years from the date of the event giving rise to the adjustment being carried forward.

(D) **Determination of Consideration.** In the case of the issuance of Common Stock for cash, the consideration shall be deemed to be the amount of cash paid therefor before deducting any reasonable discounts, commissions or other expenses allowed, paid or incurred by the Corporation for any underwriting or otherwise in connection with the issuance and sale thereof. In the case of the issuance of the Common Stock for a consideration in whole or in part other than cash, the consideration other than cash shall be deemed to be the fair value thereof as determined by the Board of Directors irrespective of any accounting treatment.

(E) **Deemed Issuances of Common Stock.** In the case of the issuance of securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly, additional shares of Common Stock (the "Common Stock Equivalents"), the following provisions shall apply for all purposes of this Article IV(B)4(d)(i):

(1) The aggregate maximum number of shares of Common Stock deliverable upon conversion, exchange or exercise (assuming the satisfaction

of any conditions to convertibility, exchangeability or exercisability, including, without limitation, the passage of time, but without taking into account potential antidilution adjustments) of any Common Stock Equivalents and subsequent conversion, exchange or exercise thereof shall be deemed to have been issued at the time such securities were issued or such Common Stock Equivalents were issued and for a consideration equal to the consideration, if any, received by the Corporation for any such securities and related Common Stock Equivalents (excluding any cash received on account of accrued interest or accrued dividends), plus the minimum additional consideration, if any, to be received by the Corporation (without taking into account potential antidilution adjustments) upon the conversion, exchange or exercise of any Common Stock Equivalents (the consideration in each case to be determined in the manner provided in Article IV(B)4(d)(i)(D) above).

(2) In the event of any change in the number of shares of Common Stock deliverable or in the consideration payable to the Corporation upon conversion, exchange or exercise of any Common Stock Equivalents, other than a change resulting from the antidilution provisions thereof, the Conversion Price of any series of Preferred Stock, to the extent in any way affected by or computed using such Common Stock Equivalents, shall be recomputed to reflect such change, but no further adjustment shall be made for the actual issuance of Common Stock or any payment of such consideration upon the conversion, exchange or exercise of such Common Stock Equivalents.

(3) Upon the termination or expiration of the convertibility, exchangeability or exercisability of any Common Stock Equivalents, the Conversion Price of any series of Preferred Stock, to the extent in any way affected by or computed using such Common Stock Equivalents, shall be recomputed to reflect the issuance of only the number of shares of Common Stock (and Common Stock Equivalents that remain convertible, exchangeable or exercisable) actually issued upon the conversion, exchange or exercise of such Common Stock Equivalents.

(4) The number of shares of Common Stock deemed issued and the consideration deemed paid therefor pursuant to Article IV(B)4(d)(i)(D) above shall be appropriately adjusted to reflect any change, termination or expiration of the type described in either Article IV(B)4(d)(i)(E)(2) above or Article IV(B)4(d)(i)(E)(3) above.

(F) **No Increased Conversion Price.** Notwithstanding any other provisions of this Article IV(B)4(d)(i), except to the limited extent provided for in Article IV(B)4(d)(i)(E)(2) above and Article IV(B)4(d)(i)(E)(3) above, no adjustment of the Conversion Price pursuant to this Article IV(B)4(d)(i) shall have the effect of increasing the Conversion Price above the Conversion Price in effect immediately prior to such adjustment.

(ii) **Stock Splits and Dividends.** In the event the Corporation should at any time after the filing date of this Restated Certificate fix a record date for the effectuation of a split or subdivision of the outstanding shares of Common Stock or the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in additional shares of Common Stock or Common Stock Equivalents without payment of any consideration by such holder for the additional shares of Common Stock or the Common Stock Equivalents (including the additional shares of Common Stock issuable upon conversion

or exercise thereof), then, as of such record date (or the date of such dividend distribution, split or subdivision if no record date is fixed), the Conversion Price of each series of Preferred Stock that is convertible into Common Stock shall be appropriately decreased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be increased in proportion to such increase in the aggregate number of shares of Common Stock outstanding and those issuable with respect to such Common Stock Equivalents with the number of shares issuable with respect to Common Stock Equivalents determined from time to time in the manner provided for deemed issuances in Article IV(B)4(d)(i)(E).

(iii) **Reverse Stock Splits.** If the number of shares of Common Stock outstanding at any time after the filing date of this Restated Certificate is decreased by a combination of the outstanding shares of Common Stock, then, following the record date of such combination (or the date of such combination if no record date is fixed), the Conversion Price for each series of Preferred Stock that is convertible into Common Stock shall be appropriately increased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be decreased in proportion to such decrease in outstanding shares.

(e) **Other Distributions.** In the event the Corporation shall declare a distribution payable in securities of other persons, evidences of indebtedness issued by the Corporation or other persons, assets (excluding cash dividends) or options or rights not referred to in Article IV(B)4(d)(i) above or in Article IV(B)4(d)(ii) above, then, in each such case for the purpose of this Article IV(B)4(e), the holders of each series of Preferred Stock that is convertible into Common Stock shall be entitled to a proportionate share of any such distribution as though they were the holders of the number of shares of Common Stock of the Corporation into which their shares of Preferred Stock are convertible as of the record date fixed for the determination of the holders of Common Stock of the Corporation entitled to receive such distribution (or the date of such distribution if no record date is fixed).

(f) **Recapitalizations.** If at any time or from time to time there shall be a recapitalization of the Common Stock (other than a subdivision, combination or merger or sale of assets transaction provided for elsewhere in Article IV(B)2 above or this Article IV(B)4) provision shall be made so that the holders of each series of Preferred Stock that is convertible into Common Stock shall thereafter be entitled to receive upon conversion of such Preferred Stock the number of shares of stock or other securities or property of the Corporation or otherwise, to which a holder of Common Stock deliverable upon conversion would have been entitled on such recapitalization. In any such case, appropriate adjustment shall be made in the application of the provisions of this Article IV(B)4 with respect to the rights of the holders of such Preferred Stock after the recapitalization to the end that the provisions of this Article IV(B)4 (including adjustment of the Conversion Price then in effect and the number of shares issuable upon conversion of such Preferred Stock) shall be applicable after that event and be as nearly equivalent as practicable.

(g) **No Fractional Shares and Notices as to Adjustments.**

(i) No fractional shares shall be issued upon the conversion of any share or shares of Preferred Stock, and the number of shares of Common Stock to be issued shall be rounded down to the nearest whole share. The number of shares issuable upon such

conversion shall be determined on the basis of the total number of shares of Preferred Stock the holder is at the time converting into Common Stock and the number of shares of Common Stock issuable upon such aggregate conversion. If the conversion would result in any fractional share, the Corporation shall, in lieu of issuing any such fractional share, pay the holder thereof an amount in cash equal to the fair market value of such fractional share on the date of conversion, as determined in good faith by the Board of Directors.

(ii) Upon the occurrence of each adjustment or readjustment of the Conversion Price of Preferred Stock pursuant to this Article IV(B)4, the Corporation, at its expense, shall promptly compute such adjustment or readjustment in accordance with the terms hereof and prepare and furnish to each holder of such Preferred Stock a notice setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, upon the written request at any time of any holder of such Preferred Stock, furnish or cause to be furnished to such holder a notice setting forth (A) such adjustment and readjustment, (B) the Conversion Price for such series of Preferred Stock at the time in effect and (C) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the conversion of a share of such series of Preferred Stock.

(h) **Notices of Record Date.** In the event of any taking by the Corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend (other than a cash dividend) or other distribution, any right to subscribe for, purchase or otherwise acquire any shares of stock of any class or any other securities or property, or to receive any other right, the Corporation shall mail to each holder of Preferred Stock, at least 10 days prior to the date specified therein, a notice specifying the date on which any such record is to be taken for the purpose of such dividend, distribution or right, and the amount and character of such dividend, distribution or right.

(i) **Reservation of Stock Issuable Upon Conversion.** The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of each series of Preferred Stock that is convertible into Common Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of such series of Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of such series of Preferred Stock, in addition to such other remedies as shall be available to the holder of such Preferred Stock, the Corporation will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes, including, without limitation, engaging in best efforts to obtain the requisite stockholder approval of any necessary amendment to this Restated Certificate.

(j) **Notices.** Any notice required by the provisions of this Article IV(B)4 to be given to the holders of shares of Preferred Stock shall be deemed given if deposited in the U.S. mail, postage prepaid, and addressed to each holder of record at his address appearing on the books of the Corporation or delivered by electronic transmission to the holder

of Preferred Stock using the contact information previously provided by such holder to the Corporation.

(k) **Taxes.** The Corporation shall pay any and all issue and other similar taxes that may be payable in respect of any issuance or delivery of shares of Common Stock upon conversion of shares of Preferred Stock pursuant to this Article IV(B)4. The Corporation shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of shares of Common Stock in a name other than that in which the shares of Preferred Stock so converted were registered, and no such issuance or delivery shall be made unless and until the person or entity requesting such issuance has paid to the Corporation the amount of any such tax or has established, to the satisfaction of the Corporation, that such tax has been paid.

5. **Voting Rights and Powers.**

(a) **General.** Except as expressly provided by this Restated Certificate or as provided by law, the holders of Series A Preferred Stock and Series A-1 Preferred Stock shall be entitled to the same voting rights as the holders of the Common Stock and to notice of any stockholders' meeting in accordance with the Bylaws of the Corporation, and the holders of Common Stock and the holders of Series A Preferred Stock and Series A-1 Preferred Stock shall vote together as a single class on all matters. Each holder of Series A Preferred Stock and Series A-1 Preferred Stock shall be entitled to the number of votes equal to the number of shares of Common Stock into which such shares of Preferred Stock could be converted. Fractional votes shall not, however, be permitted and any fractional voting rights available on an as-converted basis (after aggregating all shares into which shares of Preferred Stock held by each holder could be converted) shall be rounded to the nearest whole number (with one-half being rounded upward).

(b) **Election of Directors.** The holders of record of the shares of Preferred Stock, exclusively and as a separate class, shall be entitled to elect two (2) directors of the Corporation (each, a "**Preferred Director**" and together, the "**Preferred Directors**") and the holders of record of the shares of Common Stock, exclusively and as a separate class, shall be entitled to elect one (1) director of the Corporation. Any director elected as provided in the preceding sentence may be removed without cause by, and only by, the affirmative vote of the holders of the shares of the class or series of capital stock entitled to elect such director or directors, given either at a special meeting of such stockholders duly called for that purpose or pursuant to a written consent of stockholders. If the holders of shares of Preferred Stock or Common Stock, as the case may be, fail to elect a sufficient number of directors to fill all directorships for which they are entitled to elect directors, voting exclusively and as a separate class, pursuant to the first sentence of this Article IV(B)5(b), then any directorship not so filled shall remain vacant until such time as the holders of the Preferred Stock or Common Stock, as the case may be, elect a person to fill such directorship by vote or written consent in lieu of a meeting; and no such directorship may be filled by stockholders of the Corporation other than by the stockholders of the Corporation that are entitled to elect a person to fill such directorship, voting exclusively and as a separate class. The holders of record of the shares of Common Stock and of any other class or series of voting stock (including the Series A Preferred Stock and the Series A-1 Preferred Stock), exclusively and voting together as a single class, shall be entitled to

elect the balance of the total number of directors of the Corporation. At any meeting held for the purpose of electing a director, the presence in person or by proxy of the holders of a majority of the outstanding shares of the class or series entitled to elect such director shall constitute a quorum for the purpose of electing such director. Except as otherwise provided in this Article IV(B)5(b), a vacancy in any directorship filled by the holders of any class or series shall be filled only by vote or written consent in lieu of a meeting of the holders of such class or series or by any remaining director or directors elected by the holders of such class or series pursuant to this Subsection 3.2.

(c) **Protective Provisions.** So long as any shares (as adjusted for stock splits, stock dividends, reclassification and the like) of Preferred Stock are outstanding, the Corporation shall not (by amendment, merger, consolidation or otherwise) without first obtaining the approval (by vote or written consent, as provided by law) of the holders of at least a majority of the then outstanding shares of Preferred Stock, voting together as a single class on an as-converted basis and such act or transaction entered into without such consent or vote shall be null and void *ab initio*, and of no force or effect:

(d) Liquidate, dissolve or wind-up the business and affairs of the Corporation, effect any merger or consolidation or any other Liquidation Transaction, or consent to any of the foregoing;

(e) alter or change the powers, rights, preferences, privileges or restrictions of the Preferred Stock;

(f) declare or pay a dividend or other distribution with respect to any shares of the Corporation's capital stock;

(g) redeem, purchase or otherwise acquire (or pay into or set aside funds for a sinking fund for such purpose) any share or shares of Preferred Stock or Common Stock; provided, however, that this restriction shall not apply to the repurchase of shares of Common Stock from employees, officers, directors, consultants or other persons performing services for the Corporation or any subsidiary pursuant to agreements under which the Corporation has the option to repurchase such shares upon the cessation of employment;

(h) create or take any action that results in the Corporation holding the capital stock of any subsidiary of the Corporation;

(i) acquire any business by means of the consummation of an asset acquisition, stock purchase or merger;

(j) change the number of authorized directors;

(k) amend, alter or repeal this Article IV(B)6 so as to change the percentage of the holders of Preferred Stock necessary to approve any of the matters described in this Article IV(B)6;

(l) increase or decrease (other than by conversion) the total number of authorized shares of Common Stock or any class or series of Preferred Stock;

(m) effect a reclassification or recapitalization of the outstanding capital stock of the Corporation; or

(n) create, authorize the creation of, or issue, or obligate itself to issue, any other equity security, including any security (other than the series of Preferred Stock authorized by this Restated Certificate) convertible into or exercisable for any equity security, having a preference over, or being on a parity with, the series of Preferred Stock authorized by this Restated Certificate with respect to voting (other than the pari passu voting rights of Common Stock), dividends, redemption, conversion or upon liquidation.

6. **Status of Converted Stock.** In the event any shares of Preferred Stock shall be converted pursuant to Article IV(B)4 above hereof, the shares so converted shall be cancelled and shall not be issuable by the Corporation. The Corporation shall take all such actions as are necessary to cause this Restated Certificate to be appropriately amended to effect the corresponding reduction in the Corporation's authorized capital stock and the authorized shares of Preferred Stock.

(C) Common Stock.

1. **Dividend Rights.** Subject to the prior rights of holders of all classes of stock at the time outstanding having prior rights as to dividends, the holders of the Common Stock shall be entitled to receive, when, as and if declared by the Board of Directors, out of any assets of the Corporation legally available therefor, such dividends as may be declared from time to time by the Board of Directors.

2. **Liquidation Rights.** Upon the liquidation, dissolution or winding up of the Corporation, or the occurrence of a Liquidation Transaction, the assets of the Corporation shall be distributed as provided in Article IV(B)2 above.

3. **Redemption.** The Common Stock is not mandatorily redeemable.

4. **Voting Rights and Powers.** Each holder of Common Stock shall be entitled to the right to one vote per share of Common Stock, to notice of any stockholders' meeting in accordance with the Bylaws of the Corporation and shall be entitled to vote upon such matters and in such manner as may be provided by law. The number of authorized shares of Common Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by (in addition to any vote of the holders of one or more series of Preferred Stock that may be required by the terms of this Restated Certificate) the affirmative vote of the holders of shares of capital stock of the Corporation representing a majority of the votes represented by all outstanding shares of capital stock of the Corporation entitled to vote, irrespective of the provisions of Section 242(b)(2) of the Delaware General Corporation Law.

ARTICLE V

Except as otherwise set forth herein, the Board of Directors is expressly authorized to make, alter or repeal Bylaws of the Corporation.

ARTICLE VI

Elections of directors need not be by written ballot unless otherwise provided in the Bylaws of the Corporation.

ARTICLE VII

Distributions by the Corporation may be made without regard to "preferential dividends arrears amount" or any "preferential rights," as such terms may be used in Section 500 of the California Corporations Code.

ARTICLE VIII

(A) To the fullest extent permitted by the Delaware General Corporation Law, as the same exists or as may hereafter be amended, a director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director.

(B) The Corporation shall indemnify to the fullest extent permitted by law any person made or threatened to be made a party to an action or proceeding, whether criminal, civil, administrative or investigative, by reason of the fact that he, his testator or intestate is or was a director or officer of the Corporation or any predecessor of the Corporation, or serves or served at any other enterprise as a director or officer at the request of the Corporation or any predecessor to the Corporation.

(C) Neither any amendment nor repeal of this Article VIII, nor the adoption of any provision of the Corporation's Certificate of Incorporation inconsistent with this Article VIII, shall eliminate or reduce the effect of this Article VIII in respect of any matter occurring, or any action or proceeding accruing or arising or that, but for this Article VIII, would accrue or arise, prior to such amendment, repeal or adoption of an inconsistent provision.

ARTICLE IX

Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for (A) any derivative action or proceeding brought on behalf of the Corporation, (B) any action or proceeding asserting a claim of breach of a fiduciary duty owed by any director or officer of the Corporation to the Corporation or the Corporation's stockholders, (C) any action or proceeding asserting a claim against the Corporation arising pursuant to any provision of the Delaware General Corporation Law or the Corporation's Certificate of Incorporation or Bylaws or (D) any action or proceeding asserting a claim against the Corporation governed by the internal affairs doctrine.

ARTICLE X

The Corporation renounces, to the fullest extent permitted by law, any interest or expectancy of the Corporation in, or in being offered an opportunity to participate in, any Excluded Opportunity. An "Excluded Opportunity" is any matter, transaction or interest that is

presented to, or acquired, created or developed by, or which otherwise comes into the possession of, (i) any director of the Corporation who is not an employee of the Corporation or any of its subsidiaries, or (ii) any holder of Preferred Stock or any partner, member, director, stockholder, employee or agent of any such holder, other than someone who is an employee of the Corporation or any of its subsidiaries (collectively, "Covered Persons"), unless such matter, transaction or interest is presented to, or acquired, created or developed by, or otherwise comes into the possession of, a Covered Person expressly and solely in such Covered Person's capacity as a director of the Corporation."
