ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT is made by Edward W.S. Bryant, residing at 120 E. King St., Winona, MN 55987 (hereinafter referred to as "Assignor");

WHEREAS, Assignor, together with Clifton P. Breay, residing at 18090 Chokecherry Dr., Littleton, CO 80127; Sara D. Pfannenstiel, residing at 5566 East 130th Drive, Thornton, CO 80241; and Stephen C. Matthews, residing at 7350 East Bayaud Ave, Denver, CO 80230, has invented certain new and useful improvements in DIELECTRIC ISOLATORS described in a patent application for Letters Patent of the United States filed on July 2, 2008 as U.S. Patent Application No. 12/166,698 (hereinafter referred to as "Application"); and

WHEREAS, Miller Waste Mills d/b/a RTP Company, a corporation having a place of business at 580 E. Front Street, Winona, MN 55987 (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title and interest in and to said inventions and said Application, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer, and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and Application, and in and to any and all direct and indirect non-provisionals, divisions, continuations and continuations-in-part of said Application, and any and all Letters Patent in the United States and all foreign countries that may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives, and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owner of the entire right, title and interest in and to the said inventions and application for said Letters Patent, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Application, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said Application and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

BENESCH FRIEDLANDER COPLAN & ARONOFF LLP

AND Assignor acknowledges an obligation of assignment of this invention to Assignee at the time the invention was made.
