RE: Pending Patent Applications, Serial No. 10/667,651 -
"Accommodating Intraocular Lens", and Serial No.
10/429,336 - "Internal Tube Shunt"

Anna Yablonski Suissa, (Assignor), in her capacity as preliminary executor of the estate of Michael Yablonski, currently being probated in the Surrogate's Court of Broome County in the state of New York, agrees to assign the rights to the above-cited patent applications to the daughter of Michael Yablonski, Judith Yablonski, (Assignee) with the signing of this contract for the price of \$500.00. The law firm of Mark Levy & Associates has accepted a payment of \$500.00 from the Assignee for this purpose and will promptly pay that amount to Assignor upon receipt of the signed assignment contract, and will file appropriate assignment forms with the United States Patent and Trademark Office to record this assignment.

In addition to the assignment of these patent applications, the Assignor agrees to provide the work product or "know how" of Dr. Michael Yablonski relating to these patent applications, i.e., materials, that may exist in any media or any form including but not limited to written records, CDs, office papers, materials stored on magnetic media, and patient records, to the Assignee, in-so-far as the materials are applicable to demonstrating the utility of the concepts and facilitating the marketing of the inventions encapsulated in these applications, and making reasonable efforts to provide such materials known to the best of the Assignor's knowledge to have relevance presently or in the future to the prosecution or licensing of the patent applications, such provision being done in a timely fashion.

In addition, the Assignor agrees not to destroy, alter, or dispose of any work product or "know how" relating to these patent applications or resulting patents, as described above.
