ASSIGNMENT AND AGREEMENT

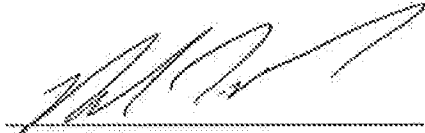

For value received, we, Michael Gordon, of Warren, in the County of Somerset and State of New Jersey, J. Henry Scott, of Warren, in the County of Somerset and State of New Jersey, Edward J. Laganis, of Hoboken, in the County of Hudson and State of New Jersey, James M. Judge, of Bushkill, in the County of Pike and State of Pennsylvania and Keith Armonaitis, of Rockaway, in the County of Morris and State of New Jersey hereby sell, assign and transfer to Innovaci Inc., a corporation of the State of Delaware, having an office at 403 King George Road, Suite 205, Basking Ridge, New Jersey 07920, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **Device Network and Online Database Management Tool**, described in an application for Letters Patent of the United States, Provisional Application Serial No. 61/514,675 filed on August 3, 2011, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Innovaci Inc. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Innovaci Inc. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Innovaci Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Innovaci Inc. in the United States and in all countries foreign to the United States, or to such nominees as Innovaci Inc. may designate.

We agree that, when requested, we shall, without charge to Innovaci Inc. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

ASSIGNMENT AND AGREEMENT

For value received, I, James M. Judge, of Bushkill, in the County of Pike and State of Pennsylvania hereby sell, assign and transfer to Innovaci Inc., a corporation of the State of Delaware, having an office at 403 King George Road, Suite 205, Basking Ridge, New Jersey 07920, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **Method for Environmental Control and Monitoring**, described in an application for Letters Patent of the United States, **Application Serial No. 14/250,540** filed on **April 11, 2014**, which is a Continuation-in-Part of U.S. Patent Application No. 13/566,776, filed on August 3, 2012, and claims priority to U.S. Provisional Patent Application No. 61/514,675, filed on August 3, 2011, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Innovaci Inc. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Innovaci Inc. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Innovaci Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Innovaci Inc. in the United States and in all countries foreign to the United States, or to such nominees as Innovaci Inc. may designate.

I agree that, when requested, I shall, without charge to Innovaci Inc. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
