ASSIGNMENT

WHEREAS, Medivation, Inc., a corporation duly organized under and pursuant to the laws of the Delaware and having its principal place of business at 525 Market Street, 36th Floor, San Francisco, California 94105, (hereinafter referred to as the "assignor"), has acquired by assignment, certain rights, title, and interest in and to FUSED TETRACYCLIC PYRIDO[4,3-b]INDOLE AND PYRIDO[3,4-b]INDOLE DERIVATIVES AND METHODS OF USE set forth in an Application for Letters Patent of the United States bearing Serial No. 13/579,911, which is a U.S. national stage entry of International Patent Application No. PCT/US2011/025509, filed on February 18, 2011, and set forth in United States Provisional Patent Application Serial No. 61/305,880, filed on February 18, 2010, and in and to any inventions or other intellectual property that may be obtained from those applications and/or patents; and

WHEREAS, Medivation Technologies, Inc., a corporation duly organized and existing under the laws of Delaware and having its principal place of business at 525 Market Street, 36th Floor, San Francisco, California 94105 (hereafter referred to as the "assignee"), is desirous of acquiring the assignor's entire right, title and interest in and to said Application for Letters Patent of the United States, Provisional Patent Application, and any application for Letters Patent claiming priority to any of the foregoing, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon and in and to any inventions or other intellectual property that may be obtained from those applications and/or patents:

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, said assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto said assignee, its successors, legal representatives and assigns, the assignor's entire right, title and interest in and to the above-mentioned Application for Letters Patent of the United States, Provisional Patent Application, and any application for Letters Patent claiming priority to any of the foregoing and in and to any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations and continuations-in-part of said application or applications, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, and to any inventions or other intellectual property that may be obtained from those applications and/or patents the same to be held and enjoyed by said assignee, for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignors, had this sale and assignment not been made.

AND for the same consideration, said assignor hereby covenants and agrees to and with said assignee its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said assignor hereby covenants and agrees to and with said assignee, its successors, legal representatives and assigns, that said assignor will, whenever counsel of said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said Application for Letters

Patent, or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said inventions, without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of said assignee, its successors, legal representatives and assigns.
