Notwithstanding anything herein to the contrary, the liens and security interests granted to Administrative Agent pursuant to this Agreement and the exercise of any right or remedy by Administrative Agent hereunder are subject to (a) the provisions of that certain Intercreditor Agreement dated as of March 12, 2015 (as amended, restated, supplemented or otherwise modified from time to time, the “DIP Intercreditor Agreement”), among Bank of America, N.A., as ABL Agent, and Silver Point Finance, LLC, as Administrative Agent and Collateral Agent, (b) the provisions of that certain Intercreditor Agreement dated as of August 1, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the “Pre-Petition ABL/Term Intercreditor Agreement”), among Bank of America, N.A., as ABL Agent, Silver Point Finance, LLC, as First Lien Agent and Second Lien Agent, and the parties identified as “Grantors” from time to time therein, and (c) the provisions of that certain Intercreditor Agreement dated as of August 1, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the “Pre-Petition Term Lender Intercreditor Agreement” and, together with the DIP Intercreditor Agreement and the Pre-Petition ABL/Term Intercreditor Agreement, the “Intercreditor Agreements”), among Silver Point Finance, LLC, as First Lien Administrative Agent and Second Lien Administrative Agent and the parties identified as “Grantors” from time to time therein. In the event of any conflict between the terms of such Intercreditor Agreements and the terms of this Agreement, the terms of such Intercreditor Agreements shall govern and control.

TERM LOAN PATENT SECURITY AGREEMENT

This TERM LOAN PATENT SECURITY AGREEMENT, dated as of April 10, 2015 (this “Agreement”), is made by THE STANDARD REGISTER COMPANY, an Ohio corporation (“Grantor”), individually and as successor by merger to WorkflowOne LLC, in favor of SILVER POINT FINANCE, LLC, as the administrative agent (together with its successor(s) thereto in such capacity, the “Administrative Agent”) for each of the Secured Parties.

W I T N E S S E T H:

WHEREAS, Grantor and the other parties thereto as borrowers, the various financial institutions from time to time parties thereto as lenders, and Administrative Agent have entered into that certain Super-Priority Priming Debtor in Possession Delayed Draw Term Loan Credit Agreement, dated as of March 12, 2015 (as amended, supplemented, amended and restated or otherwise modified from time to time, the “Term Loan DIP Agreement”);

WHEREAS, in connection with the Term Loan DIP Agreement, the Grantor has executed and delivered a Debtor-in-Possession Security Agreement, dated as of March 12, 2015 (as amended, supplemented, amended and restated or otherwise modified from time to time, the “Security Agreement”);

WHEREAS, pursuant to the Term Loan DIP Agreement and pursuant to clause (g) of Section 4 of the Security Agreement, Grantor is required to execute and deliver this Agreement and to grant to Administrative Agent a continuing security interest in all of the Patent Collateral (as defined below) to secure all Obligations;

WHEREAS, Grantor has duly authorized the execution, delivery and performance of this Agreement; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor agrees, for the benefit of each Secured Party, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Term Loan DIP Agreement.

SECTION 1.1. "Patent Collateral" means (i) all United States and foreign patents and applications now or hereafter made for letters patent under the laws of the United States, any other country or any political subdivision thereof, including, but not limited to, any of the foregoing referred to on Schedule I, and all rights corresponding thereto throughout the world, (ii) all reissues, divisions, continuations, continuations-in-part, extensions, and reexaminations of any of the foregoing; (iii) the right to sue for past, present and future infringements of any of the foregoing, and (iv) all proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit.

SECTION 2. Grant of Security Interest. Grantor hereby grants to Administrative Agent, for its benefit and the ratable benefit of each other Secured Party, a continuing security interest in all Patent Collateral, whether now or hereafter existing or acquired by Grantor, including, without limitation, the patents set forth in Schedule I attached hereto.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by Grantor for the purpose of registering the security interest of Administrative Agent in the Patent Collateral with the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interests granted to the "Administrative Agent" for its benefit and the ratable benefit of each other "Secured Party" under (and as defined in) the Security Agreement, that certain First Lien Patent Security Agreement dated as of August 8, 2013, among Grantor and Administrative Agent and that certain First Lien Security and Pledge Agreement dated as of August 1, 2013, among Grantor, the other parties identified as "Grantors" therein, and Administrative Agent. Such Security Agreements (and all rights and remedies of Administrative Agent and each Secured Party thereunder) shall remain in full force and effect in accordance with their respective terms.

SECTION 4. Release of Liens. Upon (i) the disposition of any Patent Collateral in accordance with the Term Loan DIP Agreement or (ii) the occurrence of the Termination Date, the security interests granted herein shall automatically terminate with respect to (A) such Patent Collateral (in the case of clause (i)) or (B) all Patent Collateral (in the case of clause (ii)). Upon such disposition or termination, the Administrative Agent will, at Grantor's sole expense, deliver to Grantor, without any representations, warranties or recourse of any kind whatsoever, all Patent Collateral held by Administrative Agent hereunder, and execute and deliver to Grantor such documents (in form and substance reasonably satisfactory to Administrative Agent) as Grantor shall reasonably request to evidence such termination.

SECTION 5. Acknowledgment. Grantor does hereby further acknowledge and affirm that the rights and remedies of Administrative Agent with respect to the security interest in the Patent Collateral granted hereby are more fully set forth in the Term Loan DIP Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 6. Loan Document. This Agreement is a Loan Document executed pursuant to the Term Loan DIP Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof.

SECTION 7. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

IN WITNESS WHEREOF, each of the parties hereto has caused this Agreement to be duly executed and delivered by an authorized officer as of the date first above written.
