Royal Philips and NXP shall, at each other's request, execute and do (or procure to be executed and done by any of their respective Associated Companies) all such deeds, documents, acts and things as the requesting party may from time to time reasonably require in order to effectuate or to formalize the transfer of the Patents to NXP on a jurisdiction by jurisdiction basis, to cause the Patents to be recorded at the relevant patent registers around the world in the name of NXP or its designated Associated Companies, and to cause the license under the Patents retained by Royal Philips and its Associated Companies to be recorded at the relevant patent registers around the world.
