ASSIGNMENT

I, Robert Edward Grant, residing at 1168 Skyline Drive, Laguna Beach, California 92651, have invented a method and apparatus entitled SYSTEM AND METHOD FOR ELECTROMAGNETIC RADIATION FOR INFLUENCING CELLULAR STRUCTURES, hereinafter called the "invention," which is a continuation-in-part of pending prior application Serial No. 14/488,101 filed on September 16, 2014.

Preferred embodiments of said invention are disclosed in a United States patent application filed heretofore by me and now identified as File No. 11642.12 of the law firm of Nydegger & Associates, 5120 Shoreham Place, Suite 275, San Diego, California 92122, and filed in the United States Patent and Trademark Office as Serial No. 14/632,941 on February 26, 2015.

The Assignee, STRATHSPEY CROWN HOLDINGS, LLC, a limited liability company of the State of Delaware, having a principal place of business at 4040 MacArthur Blvd., Suite 210, Newport Beach, California 92660, desires to secure the entire right, title and interest in said invention.

For good and valuable consideration paid to me by the Assignee, the receipt and sufficiency of which I hereby acknowledge, I HEREBY ASSIGN TO THE ASSIGNEE:

The entire right, title and interest in said invention in the above-identified United States patent application and in all divisions and continuations of said application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and Foreign countries.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

I hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and behoof of the said Assignee, its successors, assigns and legal representatives.

I hereby agree, without further consideration and without expense to me, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of me to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of my ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon my heirs and legal representatives.

Robert Edward Grant
