ASSIGNMENT

This ASSIGNMENT, made effective from 19th OCTOBER 2012, between STEVEN HOWARD (hereinafter referred to as the "Assignor", which expression shall include his successors and assigns) of 436 Cambridge Science Park, Milton Road, Cambridge, CB4 0QA, United Kingdom:

AND

ASTEX THERAPEUTICS LIMITED of 436 Cambridge Science Park, Milton Road, Cambridge, CB4 0QA, United Kingdom, a company incorporated in England and Wales, (hereinafter referred to as the "Assignee", which expression shall include its successors and assigns).

WHEREAS

- A. The Assignor is an inventor of an invention or inventions (hereinafter referred to as "the Inventions") described in US 61/716,086 filed on 19th October 2012 and GB 1218862.9 filed on 19th October 2012 (hereinafter referred to as "the Priority Applications");
- B. The Assignor warrants that the Invention arose in the course of their normal duties as an employee;
- C. The Assignor wishes to assign to the Assignee any rights that he has in or to the Priority Applications and the Inventions, and any patents and patent applications relating to the Inventions and/or derived from the Priority Applications.

NOW THIS ASSIGNMENT WITNESSETH THAT:

1. In consideration of the sum of two pounds (£2) and other good and valuable consideration paid by the Assignee to the Assignor, the receipt of which the Assignor hereby acknowledges, the Assignor hereby assigns to the Assignee his entire right, title and interest in and to the Inventions and the Priority Applications and any patents, patent applications and like forms of protection (hereinafter collectively referred to as "the Patents and Patent Applications") based on or derived from the Priority Application(s) and including but not limited to international patent applications ('PCT Applications'), patent applications filed in non-PCT countries ('non-PCT applications'), any continuations, continuations-in-part, divisional applications, reissues, revalidations, registrations, inventors' certificates, petty patents, utility models, supplementary protection certificates and renewals and extensions thereof for all countries designated in such PCT Applications as filed.

PATENT

REEL: 035428 FRAME: 0692

2. The Assignor further assigns to the Assignee the full right to apply for and obtain patents or other similar forms of protection in respect of the Inventions in any part of the World.
3. The Assignor assigns to the Assignee the right to claim convention priority from the Priority Applications.
4. At the request and reasonable cost of the Assignee, the Assignor shall execute all such documents and do all such acts as may be necessary or proper for enabling the Assignee to perfect its right, title and interest in and to the Patents and Patent Applications and the Inventions, and to prosecute, defend and enforce the Patents and Patent Applications, including but not limited to executing any application forms, confirmatory assignments, declarations, oaths, affidavits, technical reports and witness statements that may reasonably be required.
5. This Assignment shall be governed by the laws of England and Wales and the parties to this Agreement agree to submit to the non-exclusive jurisdiction of the English Courts in respect of any matters arising out of it.

IN WITNESS whereof the parties hereto have entered into this agreement as from the day and year above written.

4. At the request and reasonable cost of the Assignee, the Assignor shall execute all such documents and do all such acts as may be necessary or proper for enabling the Assignee to perfect its right, title and interest in and to the Patents and Patent Applications and the Inventions, and to prosecute, defend and enforce the Patents and Patent Applications, including but not limited to executing any application forms, confirmatory assignments, declarations, oaths, affidavits, technical reports and witness statements that may reasonably be required.
5. This Assignment shall be governed by the laws of England and Wales and the parties to this Agreement agree to submit to the non-exclusive jurisdiction of the English Courts in respect of any matters arising out of it.

IN WITNESS whereof the parties hereto have entered into this agreement as from the day and year above written.
