ASSIGNMENT

WHEREAS, I, Jeffrey L. Chow of 1370 Yellow Pine Ave., Boulder, CO 80304 have invented a certain new and useful invention entitled "*Configured Input Display for Communicating to Computational Apparatus*," for which an application for Letters Patent of the United States has been prepared and filed on October 21, 2013, receiving Serial No. 14/059,259 and further identified as Attorney File No. 6958-1; and

WHEREAS I previously assigned all right, title, and interest in the foregoing to Red Bird Rising LLC, which has been administratively dissolved; and

WHEREAS I wish to assign all right, title, and interest from Red Bird Rising LLC to Red Bird Rising II LLC;

NOW THEREFORE, be it known that I, the said inventor, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee do sell, assign, and transfer unto said assignee, Red Bird Rising II LLC, a Colorado limited liability company having a place of business at 1370 Yellow Pine Ave., Boulder, CO 80304, its successors, legal representatives, and assigns, the aforesaid patent applications, the invention(s) described therein and any modification and/or improvement(s) to the invention(s) thereof and all continuation, divisional, continuation-in-part, and reissue applications associated therewith; all corresponding patent applications in foreign countries; all applications pursuant to the Patent Cooperation Treaty; all applications for extension filed or to be filed for the invention(s), improvements and/or modifications; and all Letters Patent, Invention Registrations, Utility Models, Extensions, Reissues, and other patent rights obtained for the invention(s), improvements and/or modifications in the United States or any other country;

I also assign any right, title, and interest in and to the invention(s), improvements and/or modifications, which has not already been transferred to the assignee;

I warrant that I have made no assignment of the invention(s), application(s), and/or patent therefor to a party other than Red Bird Rising LLC, and I am under no obligation to make any assignment of the invention(s), including improvements and/or modifications to the invention(s), application(s), or patent(s) therefor to any other party; and

I further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention(s), but at the expense of said assignee.

I have reviewed and understand the contents of the application(s), including the claims thereof, which may have been amended by a preliminary amendment filed with the application(s) or which are contemplated. I affirm that the above-identified inventions and applications was made or authorized to be made by myself. I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the

prior application and the national or PCT international filing date of the continuation-in-part application. I hereby acknowledge that any willful false statement regarding inventorship of these applications is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent(s) solely in accordance with the terms of this Assignment, to Red Bird Rising II LLC, its successors, legal representatives, and assigns, as the assignee of the entire right, title, and interest therein.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date indicated hereunder.
