Sir :

Applicants note that the executed Assignment in favor of IMEX CLINIC, S.L., which was recorded on November 27, 2013 at Reel 031685 and Frame 0587, contained an inadvertent error of a typographical nature with regard to the surname of the third inventor. The third inventor's name should have been identified in the Assignment as Rafael Ignacio BARRAQUER COMPTE, i.e., the letter "M" was inadvertently omitted in the printed Assignment document.

As the error was merely of a typographical nature, Applicants request that this correction be recorded so that Mr. BARRAQUER COMPTE's name is properly presented for the record, and that a corrected Notice of Recordation be forwarded to the undersigned to confirm the change has been recorded in the Assignment records.

Should there be any questions with regard to this correction of inventor name, please contact the undersigned at the telephone number listed below.

Respectfully submitted,
