ASSIGNMENT

WHEREAS, Worrell, Inc., a corporation of Minnesota having its principal office at 1414 Marshall St. NE, Minneapolis, Minnesota, 55413 (hereinafter referred to as the "UNDERSIGNED"), has or may have certain ownership interests in invention(s) described in

DEBRIS CONTAINER FOR WALK-BEHIND MOWER

Filed: January 13, 2015

Application No.: 14/595,561

and in the above-referenced application for Letters Patent of the United States of America based thereon by way of an assignment executed by Daniel C. Johnson, Lee G. Macklem, Mark W. Schulz, and Charles A. Wood;

And whereas The Toro Company (hereinafter referred to as "COMPANY"), a corporation of Delaware, having its principal office at 8111 Lyndale Avenue South, Bloomington, Minnesota, 55420-1196, wishes to acquire ownership in and to said invention(s) and application and to any U.S. Letters Patent to be obtained therefor;

Now, therefore, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, the UNDERSIGNED has agreed to assign and transfer and does hereby assign and transfer unto COMPANY, its successors and assigns, the UNDERSIGNED's entire right, title, and interest in and to said invention(s) and application, and in and to any division or continuation (in whole or in part) of said application, and in and to any and all improvements in said invention(s) made by employees of the UNDERSIGNED, individually or jointly with others (provided any such improvement is made during, or within one year after the termination of, employment by the UNDERSIGNED), and in and to any and all Letters Patent, reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent, Utility Models, or Inventors' Certificates in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further applications based in whole or in part upon said invention(s) or improvements thereon, to be held and enjoyed as fully and exclusively as they would have been by the UNDERSIGNED had this assignment and transfer not been made;

The UNDERSIGNED hereby agrees that the UNDERSIGNED, its successors, and legal representatives will make, execute, and deliver without further consideration any and all other instruments in writing including any and all further application papers, assignments, and other documents, and to perform such other acts as the UNDERSIGNED lawfully may, that may be deemed necessary by the COMPANY, its successors, assigns and nominees, fully to secure its right, title, and interest as aforesaid and to obtain or maintain Letters Patent, Utility Models, or Inventors' Certificates in any and all countries;

The UNDERSIGNED represents and agrees with the COMPANY, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the UNDERSIGNED, and that full rights to convey the same as herein expressed are possessed by the UNDERSIGNED;

And the UNDERSIGNED hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patents which may be granted upon any of the said applications, to The Toro Company as the assignee of the UNDERSIGNED'S entire right, title, and interest therein.

IN TESTIMONY WHEREOF, the below-identified representative of the UNDERSIGNED, being duly authorized to act on behalf of the UNDERSIGNED, has hereunto set his hand on the date as indicated below.
