ASSIGNMENT

Assignor:

Mr. Albert C. West
166 Stafford Road
Holland, MA 01521

Assignee:

Evolve Custom, LLC
200 Lenoir Dr. Unit B
Winchester, VA 22603

Background

1. **Albert C. West** ("West") is the inventor of inventions described in two utility patents entitled "*ARTIFICIAL STONE MATERIAL AND METHOD OF MANUFACTURE THEREOF*", which issued April 3, 2007 and was given U.S. Patent No. 7,198,833; and entitled "*METHOD FOR MANUFACTURING AN ARTIFICIAL MATERIAL*", which issued June 14, 2011 and was given U.S. Patent No. 7,959,991 (collectively the "Patents"). As used in this Assignment, "Inventions" means: (a) any of the Patents; (b) any and all inventions which are disclosed but not claimed in the Patents; (c) any and all inventions which are disclosed and claimed in the Patents; (d) any and all improvements, developments, and modifications to the invention deriving from the Patents; and (e) any and all applications, continuations, continuations-in-part, divisions, and requests for continued examination which claim priority to the Patents.

2. **Evolve Custom, LLC** ("Evolve Custom") desires to acquire the entire, right, title, and interest in, to and under the Inventions, including the Patents, or similar legal protection when granted in the United States and foreign countries.

3. In accordance with an Asset Purchase Agreement executed contemporaneously herewith, Evolve Custom has acquired from West and/or CREATEK-STONE, INC. all right, title, and interest in and to the Intellectual Property Assets including the Inventions as set forth in Asset Purchase Agreement.

4. West has agreed to execute this Assignment to enable Evolve Custom to complete its legal title of ownership of the Inventions, and to record legal title of the Inventions in the United States Patent and Trademark Office or any foreign office whose duty is to issue any certificates or otherwise resulting from the Inventions.

Assignment

5. For good and valuable consideration received by West from Evolve Custom, receipt and sufficiency of which is hereby acknowledged, West hereby sells, assigns, and transfers to Evolve Custom, its successors, assigns, and legal representatives, to have and to hold forever, and Evolve Custom hereby assumes and accepts the entire right, title, and interest in and to: (i) the Inventions, and any and all United States Letters Patents which may be granted thereon, and all reissues, reexaminations, and on any application that is a division, substitution, continuation, or continuation-in-part of the Inventions, and extensions of the Inventions; (ii) all proprietary rights under International Agreements, Treaties and Conventions, in every participating country, and all applications for patents (including related rights such as utility-

model registrations, inventor's certificates, and the like) heretofore or hereafter filed for the inventions in any foreign countries, and all reissues, reexaminations and extensions on the inventions in any foreign country; (iii) all income, royalties, damages and payments now or hereafter due or payable in respect to the inventions; and (iv) all causes of action, either in law or equity, for damages for past, present or future infringement of the inventions throughout the entire world.

6. West agrees to cooperate with Evolve Custom so that Evolve Custom may enjoy to the fullest extent the rights conveyed under this Assignment. Such duty includes prompt execution of all papers, to be prepared at the expense of Evolve Custom, that are deemed necessary or desirable to perfect the conveyed rights.

7. The terms, agreements, and provisions of this Assignment will inure to the benefit of Evolve Custom, its successors, assigns, and other legal representatives, and will be binding on West, West's heirs, assigns, and other legal representatives.

8. West warrants and represents that he has not entered into any assignment, contract, or understanding in conflict with this Assignment.

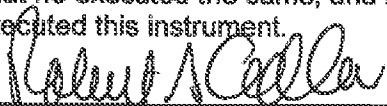

I agree with, and have executed this Assignment on this 24th day of February, 2015.
