ASSIGNMENT

Whereas, by virtue of an Assignment recorded in the United States Patent and Trademark Office on Reel 026786, Frame 0734, Children's Hospital Boston, of 300 Longwood Avenue, Boston, MA 02115, is the owner of United States Patent Application No. 13/432,242 filed March 28, 2012.

Whereas, Children's Medical Center Corporation, a corporation organized and existing under the laws of Massachusetts, is desirous of acquiring from Children's Hospital Boston the entire right, title and interest in, to and under the aforesaid Patent Application and the invention therein described and claimed.

Now, therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, Children's Hospital Boston hereby sells, transfers and conveys its entire right, title and interest in, to and under said Patent Application and the invention therein described and claimed to Children's Medical Center Corporation to the full end of the term for which Letters Patent have been granted or may be granted and hereby authorizes and requests the Commissioner of Patents and Trademarks to record Children's Medical Center Corporation as the assignee of the entire right, title and interest in, to and under the same.

Assignor further agrees that Assignor will, without demanding any further consideration therefore, at the request but at the expense of Assignee, do all lawful and just acts, including the execution and acknowledgment of instruments, that may be or become necessary for obtaining, sustaining, or reissuing said Letters Patent as may be granted from said Patent Application, and for maintaining and perfecting Assignee's right to said Letters Patent.
