INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

THIS AGREEMENT is made as of the 12th day of January, 2014 ¹⁵ 

BETWEEN:

James D. Cutchey, an individual residing at 9931 Brookside Circle, Bloomington, MN 55431 United States of America (the "Assignor")

-- and --

Stortz Toys Inc. a corporation incorporated under the laws of the province of Ontario, having a place of business at 1-155 Martin Ross Avenue, Toronto Ontario M3J 2L9 Canada (the "Assignee")

WHEREAS, the Assignor owns:

a design relating to and entitled Hockey Training Aid (the "HTA Design") as set forth and described in U.S. Design Patent No. D514,178 S dated Jan. 31, 2006 and in CA Industrial Design Registration No. 107917 dated January 30, 2006;

[REDACTED]

[REDACTED]

[REDACTED]

(collectively the "HTA Assets").

AND WHEREAS, the Assignee desires to acquire the entire right, title, interest, property and benefit in and for Canada, the United States, and all other countries in the world, in and to the HTA Assets held by the Assignor;

NOW THEREFORE in consideration of the sum of [REDACTED] and other good and valuable consideration, the receipt and sufficiency of all of which is acknowledged, the Assignor agrees as follows:

1. Assignment

The Assignor confirms that the Assignor has agreed to sell, assign and transfer, and for greater certainty does hereby sell, assign and transfer, to the Assignee, the entire worldwide right, title, interest, property and benefit including any right to sue for past infringements in and for Canada, the United States and all other countries and jurisdictions in the world, in and to any and all writings, drawings, machines, prototypes, compositions of matter, formulas, designs, methods, processes, data, databases, computer programs, concepts, business information (including existing and potential customer information) and other works, made, authored, conceived, created or developed by the Assignor at any time, and the Assignor's employees and contractors (including any subcontractors), if any, that relate to the HTA Assets in any way (collectively the "Work Products"), and all trade-marks, goodwill, trade names, distinguishing guises, copyrights, trade secrets, industrial designs, patents, inventions (whether patentable or not), know-how, ideas or other proprietary or intellectual property rights in or related to the Work Products, including without limitation any trade-mark, copyright, industrial design, patent applications filed and patents granted thereon, that the Assignor has or may have anywhere in the world (collectively, the "IP Right"). For greater certainty, this Agreement shall supersede all prior oral or written agreements or understandings that may exist between the parties hereto in respect of any Work Products and IP Rights to the extent that such prior agreements or understandings assign

fewer rights than the present Agreement or are contrary to the terms of this Agreement. The Work Products and IP Rights set out in Schedule A are excluded from this Agreement.

4. General

- 4.1 The Assignor agrees to execute and deliver, without further consideration, all further documents or do such things as may be required or reasonably deemed by the Assignee to be advisable to give full effect to this Agreement, and to permit the Assignee to obtain and maintain applications, or to facilitate the prosecution of applications, for the protection of the Work Products and IP Rights.
- 4.2 If any provision of this Agreement is invalid, unenforceable, in conflict with, or in violation of, the law of the governing jurisdiction or any other relevant jurisdiction, such provision shall be inoperative, and the validity and enforceability of the balance of that provision and the remaining provisions hereof shall not be affected.
