PATENT ASSIGNMENT

WHEREAS, Boehringer Laboratories, LLC, a Pennsylvania limited liability company having an address at 300 Thoms Drive, Phoenixville, PA 19460 (hereinafter "BL-LLC") is the owner by assignment of the issued U.S. patents, the pending U.S. patent applications and the pending PCT applications set forth in Exhibit A, the inventions disclosed and claimed therein, and any patents issuing from the pending applications, and all of the worldwide rights, title, and interest in and to the inventions which form the subject matter of the issued patents and pending applications, and in and to all United States and foreign divisional, continuing, renewal, reissue, or other patent applications based upon the issued patents and pending applications, and any United States and foreign patents issuing from any of said divisional, continuing, renewal, reissue, or other patent applications based upon the issued patents and the pending applications (the issued patents and the pending applications along with the inventions disclosed and claimed therein, and all United States and foreign divisional, continuing, renewal, reissue, or other patent applications based upon the issued patents and the pending applications set forth in Exhibit A, and any United States and foreign patents issuing from any of said divisional, continuing, renewal, reissue, or other patent applications based thereon, being collectively referred to hereinafter as "the Patent Rights"); and

WHEREAS, Boehringer Laboratories, Inc., a Pennsylvania corporation having an address at 300 Thoms Drive, Phoenixville, PA (hereinafter "BLI"), is desirous of acquiring all of the worldwide rights, title and interest in and to the Patent Rights;

NOW, THEREFORE, BL-LLC and BLI, intending to be legally bound under the laws of the Commonwealth of Pennsylvania, and for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, agree as follows:

1. BL-LLC hereby sells, assigns, and transfers to BLI, all of its rights, title and interest in and throughout the United States and its territories and worldwide in and to the Patent Rights, including all rights to sue others for past acts of infringement of the Patent Rights and to retain all revenues received from others for past acts of infringement of the Patent Rights.

2. BL-LLC hereby authorizes and requests the Commissioner of Patents and Trademarks and all foreign patenting authorities to issue to BLI any and all Letters Patents that may be granted upon patent applications forming a part of the Patent Rights, and to index this Assignment against any and all of such Letters Patents forming part of the Patent Rights.

3. BL-LLC further agrees for itself, its successors, assigns and legally-bound predecessors to execute without further consideration, any further legal documents, and any further assignments, and any releases, reissues, renewals or other applications for Letters Patent that may be deemed necessary by BLI, or by BLI's successors-in-interest or assigns, fully to secure to BI, or to BLI's successors-in-interest or assigns, BL-LLC's interest aforesaid in and to the Patent Rights.

IN WITNESS WHEREOF, I hereunto affix my hand and seal this 21st day of April 2015.
