## ASSIGNMENT

WHEREAS, Centile, Inc., a Delaware Corporation, having a principal place of business at 2445 Mission College Boulevard, Santa Clara, CA 95054, is the assignee of certain intellectual property for Letters Patent of the United States which are currently pending as identified below:

VIRTUAL TELEPHONE EXTENSION, U.S. Patent Application No. 10/326,572, filed December 20, 2002 (Attorney Docket No. CENT.300PA).

AND WHEREAS, 8x8, Inc., a Delaware Corporation, having a principal place of business at 2445 Mission College Boulevard, Santa Clara, CA 95054 (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said intellectual property as listed above.

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof is hereby acknowledged, Centile, Inc. has sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest in the above-referenced intellectual property for which Letters Patent have been applied, and in and to the application, all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, but subject to the exceptions below, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the aforesaid consideration and other consideration that would be reasonable under the circumstances, Centile, Inc. hereby agrees that it and its executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things reasonable under the

circumstances which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

NOTWITHSTANDING THE ABOVE, for each of the aforesaid applications for Letters Patent that refer to or otherwise incorporates one or more patent documents (*i.e.*, pending application(s) for letters patent or issued patents), this ASSIGNMENT does not in any way assign, transfer or otherwise convey any rights, title and/or interest to any inventions or improvements set forth in the referred to or incorporated patent document, to 8x8, Inc.

AND, in conclusion we covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by us.
