INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement") is made as of April 20, 2015 (the "Effective Date") by H₂O INNOVATION INC. (the "Grantor") in favor of BANK OF MONTREAL (the "Bank").

WHEREAS, reference is made to that certain Movable Hypothec without delivery, dated as of April 20, 2015 (as it may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"; capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement), by and between the Grantor, H₂O Operation & Maintenance Inc. and the Bank; and

WHEREAS, under the terms of the Security Agreement, the Grantor has (i) granted to the Bank a security interest in and continuing lien on all of the Grantor's right, title and interest in, to and under the Collateral, including, without limitation, certain intellectual property of the Grantor, as collateral security for the Secured Obligations, and (ii) agreed to execute this Agreement for recording with the United States Patent and Trademark Office, and other applicable governmental authorities.

NOW, THEREFORE, in consideration of the premises and the agreements, provisions, and covenants herein contained, the Grantor and the Bank agree as follows:

1. Grant of Security

As collateral security for the Secured Obligations, the Grantor hereby grants to the Bank a security interest in and continuing lien on all of the Grantor's right, title and interest in, to and under the following (collectively, the "Intellectual Property Collateral"):

(a) patent rights throughout the world, including all patent applications, patent licenses, patentable inventions, modifications and improvements thereof, all proceeds of, and rights associated with any of the foregoing (including license royalties and proceeds of infringement suits), the right to sue third parties for past, present or future infringements of any of the foregoing and for breach or enforcement of any of the foregoing, and all rights corresponding to each of the foregoing throughout the world and all proceeds and general intangibles arising from any of the foregoing (collectively, the "Patents"); and

(b) trademarks, business names, and logos (each of the foregoing items being called a "Trademark"), now existing anywhere in the world or hereafter adopted or acquired, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations and applications in the United States Patent and Trademark Office or in any office or agency of the United States of America or any State thereof or any foreign country, all Trademark licenses, all extensions or renewals of any of the foregoing items, all of the goodwill of the business connected with the use of, and symbolized by the foregoing items, all proceeds of, and rights associated with, the foregoing, including any claim by the Company against third parties for past, present or future infringement of any Trademark, Trademark registration or Trademark license, or for any injury to the goodwill associated with the use of any such Trademark or for breach or enforcement of any Trademark license and all proceeds and general intangibles arising from any of the foregoing (collectively, the "Trademarks").

such Intellectual Property Collateral, registered or having an application pending with the United States Patent and Trademark Office or with any office or agency of the United States of America or

any State thereof or any foreign country, as of the Effective Date, being identified in Schedule 1 attached hereto.

2. Recordation.

The Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable government officer record this Agreement.

3. Counterparts.

This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Agreement.

4. Governing Law.

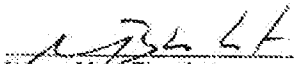

This Agreement and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the law of the State of California.

5. Conflict Provision.

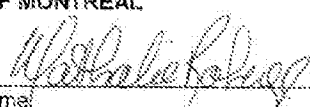

This Agreement has been entered into in conjunction with the provisions of the Security Agreement and the Loan Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Security Agreement and the Loan Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Agreement are in conflict with the Security Agreement or the Loan Agreement, the provisions of the Security Agreement or the Loan Agreement shall govern.

IN WITNESS WHEREOF, the Grantor and the Bank have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first written above.
