### ASSIGNMENT

This assignment is by and between STUART PRESS and HAROLD HODER (hereafter "Assignors") and URETEK, LLC, a limited liability company organized and existing under the laws of the State of Connecticut, and having a place of business at 30 Lennox Street, New Haven, CT (hereafter "Assignee");

Whereas Assignor desires to sell and transfer certain patents and patent applications to Assignee, and whereas Assignee desires to purchase these patents;

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignors hereby sell, assign and transfer to Assignee, their successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to the patents and patent applications listed on the attached Schedule A ("the Assigned Patents and Applications"), and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any improvements disclosed in the Assigned Patents and Applications; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on the Assigned Patents and Applications;

Agree that said Assignee may apply for and receive Letters Patent for the Assigned Patents and Applications in its own name; and that, when requested, without charge to but at the expense of

said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the Assignors will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives.
