ASSIGNMENT

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned Assignor:

hereby sells, assigns and transfers to Assignee: Solid Control Holding B.V. Aluminiumstraat 65 Zoetermeer (Zuid-Holland) 2718 RB The Netherlands

its successors, assigns and legal representatives, the entire right, title and interest for the United States and all countries foreign to the United States, in and to any and all improvements which are disclosed in

- (a) US Patent Application Serial No. Filed ; and (b) International Patent Application Serial No. filed

and entitled MONEY COUNTER

and in and to said application and all divisional, continuing, substitute, renewal, reissue and all other applications for Patent which have been or shall be filed in the United States and all other countries foreign to the United States on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and in all countries foreign to the United States on said improvements.

The Assignee may apply for and receive the Patent Certificate in its own name. When requested by the Assignee or its successors, the undersigned Assignor will execute all other patent applications, proper declarations and oaths, assignments, powers of attorney, or other papers, and communicate all facts known to him/her relating to the improvements and the history thereof; and generally do everything possible which the Assignee or its successors shall consider desirable for aiding in securing and maintaining proper patent protection for the improvements and for vesting title in the Assignee or its successors.

The Assignor warrants that he/she has the full right to convey the rights and property described herein and no assignment, grant, mortgage or license, or other agreement affecting such rights and property has been made to another by the undersigned.
