PATENT ASSIGNMENT

In consideration of Five Dollars (\$5.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, MICHAEL HUNTER, the undersigned,

Hereby sell, assign and transfer to THERMO-KINETICS COMPANY LIMITED, a company of the Province of Ontario, Canada, having a place of business at 6740 Invader Crescent, Mississauga, Ontario, L5T 2B6, Canada, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patents, which has been executed by the undersigned concurrently herewith (enclosed), and entitled "THERMOCOUPLE RESISTANCE COMPENSATOR" and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States, Canada and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States, Canada and all foreign countries on said improvements;

Agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, licence or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

EXECUTED at Mississauga, Ontario, Canada, this 29<sup>th</sup> day of April, 2015.
