ASSIGNMENT OF INVENTION

UNIVERSAL

WHEREAS, I, Gaston HOULE, whose postal address is 713, Blanchard, Wickham (QC), J0C 1S0, CANADA; has invented certain new and useful improvements, designs, or both (each hereinafter referred to as the "Invention"), for a full description of which reference is here made to the following one or more patent applications (each a "Patent Application")

VIBRATION ABSORBER

described in:

United States Design Application No.: 29/524,498 filed on Apr. 21, 2015, entitled VIBRATION ABSORBER

WHEREAS PLACEMENT GASTON HOULE INC., whose full postal address 713, Blanchard, Wickham (QC), J0C 1S0, CANADA (hereinafter referred to as the "Assignee"), is entitled to receive the entire right, title and interest in and to each said Invention or inventions and in and to any and all patents to be obtained therefor or issued therefrom ;

NOW, THEREFORE, in consideration of One dollar (1\$) and other valuable consideration, the receipt of which is hereby acknowledged, I have and by these present do hereby sell, assign, quitclaim, and transfer unto said Assignee, its successors and assigns, the entire right, title and interest: (1) in and to each said Invention, in any form or embodiment thereof, and in each said Patent Application; (2) in and to any application for an Invention filed in any country and any patent for an Invention granted in any country, including the right to file foreign applications under provisions of the Patent Cooperation Treaty and under the Paris Convention; (3) in and to any and all patents, reissues, reexaminations,

or extensions thereof to be obtained in this or any foreign country upon any of said Inventions, and any divisional, continuation, continuation-in-part, substitute application(s) or supplementary disclosure(s) which may be filed for an Invention in any country; (4) in and to any application claiming priority to any of the foregoing; (5) in and to any application from which priority is claimed in any of the foregoing; and (6) in and to any past or present right or cause of action arising with respect to any of the foregoing, including any right to sue for patent infringement, and any copyright in any embodiment of an Invention and any derivative right thereof. I additionally hereby authorize Assignee to file any application for any one or more of the Inventions; and I hereby authorize and request the issuing authority to issue and all patents on said application or applications to said Assignee.

I further agree without any payment by said Assignee other than expenses incurred by the undersigned, to communicate to said Assignee, its representatives or agents, any facts useful as evidence for interference purpose or for other proceedings relating to intellectual property encompassing the invention, whenever requested; testify in any interference, litigation or other proceedings, whenever requested; and execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective, and likewise make these provisions binding upon my/our heirs, legal representatives, administrators, officers and assigns.

Les soussignés désirent que la présente cession soit en anglais. The undersigned request the present assignment be in English.

The Assignment is executed nunc pro tunc as of the date of the latest signature upon it.
