PATENT AND INVENTIONS ASSIGNMENT

WHEREAS, Nexcore Technology, Inc., a New Jersey corporation (the "*Assignor*"), having a place of business at 150 Hopper Avenue, Waldwick, New Jersey 07463, is the owner of the patent and registration identified in Schedule A, attached hereto and made a part hereof;

WHEREAS, Assignor has agreed to sell, assign and transfer to Nexcore Technology, LLC, a Delaware limited liability company (hereinafter "*Assignee*"), having a place of business at 150 Hopper Avenue, Waldwick, New Jersey 07463, the entire right, title and interest in and to the Patent and registration identified on Schedule A and the inventions disclosed therein;

NOW, THEREFORE, in consideration of the payment by Assignee to Assignor of the sum of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged;

Assignor hereby sells, assigns and transfers to Assignee the entire right, title and interest, free and clear of all liens, security interests, claims and encumbrances of any nature whatsoever, in and for the United States and other countries, in and to the patent and registration identified in Schedule A, and in and to all inventions disclosed in any and all of such patent and/or registration, and all divisional, continuing, substitute, renewal, and reissue patent and registrations for patent, relating to or derived from any of such inventions, which have been or shall be filed in or for the United States and/or any other countries, as well as any and all improvements to such inventions or to any of them (collectively, the "*Inventions*") and all other rights, powers, privileges and interests of whatsoever nature, kind or description relating to the Inventions, including but not limited to the right to sue for, recover, and have damages and profits for any past, present and/or future infringement, to the fullest extent permitted by law; the same to be held and enjoyed by Assignee as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made. This Patent and Inventions Assignment shall be effective as of January ____, 2015.

Assignor hereby acknowledges and agrees that Assignee and/or any of its successors, assigns and/or legal representatives may record the assignment of rights in the patent and registration identified on Schedule A, and may apply for, and if issued receive, patent for the Inventions for filing in Assignee's own name; and that, when reasonably requested by Assignee, or any of its successors, assigns or legal representatives, to carry out the intent or purpose of this Patent and Inventions Assignment, Assignor shall, at Assignee's cost and expense, (i) execute all divisional, continuing, substitute, renewal, and reissue patents and applications, and all other patent applications, relating to any of the Inventions in or for the United States and/or any and all foreign countries, and all rightful oaths, declarations, assignments, powers of attorney and other papers relating to any of the foregoing; (ii) communicate to Assignee, and its successors, assigns and legal representatives, all facts known to Assignors relating to any of the Inventions and the history thereof; (iii) testify as to all pertinent facts and documents relating to the Inventions as may be known or accessible to Assignors in any interference, litigation or proceeding related thereto; and (iv) generally do everything reasonably possible which Assignee, or any of its successors, assigns or legal representatives, shall reasonably consider desirable for aiding in

securing, maintaining and/or enforcing any patents related to any or all of the Inventions and for vesting title therein to Assignee, its successors, assigns and legal representatives, as the case may be.

Without limiting the foregoing, Assignor hereby irrevocably appoints Assignee and each of Assignee's officers, signing singly as attorney-in-fact with full power (and coupled with an interest), with full power of substitution, to be Assignor's true and lawful attorney, in Assignor's name, place and stead, to execute, acknowledge, swear to and file all documents (including but not limited to any instrument of assignment, transfer and/or conveyance) and to take all actions which Assignee reasonably deems necessary, appropriate or desirable to effectuate the assignment provided for in this Patent and Inventions Assignment.

This Assignment shall be governed by and construed in accordance with the laws of the State of New York regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof.
