<p>Whereas Phase 5 Weapon Systems Inc. of Roseville, CA, a California corporation hereinafter referred to as Assignee, whose post office address is 501 Giuseppe Ct., Suite C., Roseville, CA 95678, is desirous of acquiring the entire right, title, and interest in the same;</p>											
<p>Now, therefore, for good and valuable consideration, receipt of which is hereby acknowledged, I, Inventor, by these presents do sell, assign, and transfer unto said Assignee the full and exclusive right to said invention(s) and/or designs and the entire right, title and interest in and to any and all Patents which may be granted therefor in the United States and any foreign countries; any division, continuation, continuation-in-part, and provisional precursor of said application(s); any reissue, reexamination or extension of said Patents; and all rights of priority resulting from the filing of said application(s). Inventor hereby authorizes and requests the Commissioner of Patents and Trademarks and any officials of foreign countries whose duty is to issue patents to issue all Patents to Assignee for the full term for which said Patents may be granted, as fully and entirely as the same would have been held by me had this agreement and sale not been made.</p>											
<p>Inventor represents to Assignee that Inventor has not and shall not execute any writing or do any act conflicting with this Assignment. Inventor will, at any time upon request, without additional consideration but at the expense of Assignee, execute such additional writings and do such additional acts as may be reasonably necessary for Assignee to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing all Patents or similar legal protection on the inventions in any and all countries.</p>											
<p>I further authorize and direct Assignee's attorneys to insert the serial number and filing date of any application now identified by attorney docket number and title set forth above as soon as the same shall have been made known to them by the United States Patent and Trademark Office.</p>											
<p>The conditions of this Assignment shall inure to the benefit of said Assignee, its successors, assigns, and/or other legal representatives, and shall be binding upon said Inventors, their heirs, assigns, and legal representatives.</p>											
<p>Inventor has executed this Assignment on the date marked below:</p>
