PATENT ASSIGNMENT (US)

WHEREAS, CIVCO MEDICAL INSTRUMENTS CO., INC, an Iowa corporation, having an address at 102 First Street South, Kalona, Iowa 52247 (hereinafter "CIVCO") is the owner, by assignment, of certain rights, title, and interest in and to the inventions which form the subject matter of the issued United States patents and the United States pending patent applications identified in Exhibit A, attached hereto, and in and to any patents issuing from said United States pending patent applications (all of said inventions, issued United States patents, United States pending patent applications, and any patents issuing from said United States pending patent applications hereinafter being collectively referred to as "Patent Rights"); and in and to all divisional, continuing, renewal, reissue, or other patent applications based upon the Patent Rights, and any patents issuing from any said divisional, continuing, renewal, reissue, or other patent applications based upon the Patent Rights, (the Patent Rights and all divisional, continuing, renewal, reissue, or other patent applications based upon the Patent Rights, and any patents issuing from any of said divisional, continuing, renewal, reissue, or other patent applications based upon the Patent Rights, being collectively referred to as "United States Patent Rights");

WHEREAS, MEDTEC, INC., an Iowa corporation, having an address at PO Box 320, 1401 8th Street SE, Orange City, Iowa 51041 (hereinafter "MEDTEC"), is desirous of acquiring all of the rights, title and interest in and to the United States Patent Rights; and

NOW, THEREFORE, CIVCO and MEDTEC, intending to be legally bound under the laws of the State of Iowa, and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, agree as follows:

1. CIVCO hereby sells, assigns, conveys and delivers to MEDTEC, all of its rights, title and interest in and throughout the United States and its territories and possessions, in and to the United States Patent Rights, including all rights to sue others for past acts of infringement of the United States Patent Rights and to retain all revenues received from others for past acts of infringement of the United States Patent Rights.

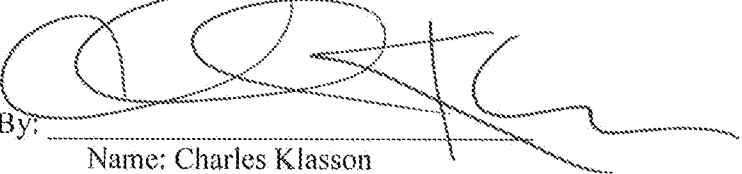

2. CIVCO hereby authorizes and requests the Commissioner of Patents and Trademarks to issue to MEDTEC any and all United States Letters Patents that may be granted upon patent applications forming a part of the United States Patent Rights, and to index this Assignment against any and all of such United States Letters Patents forming part of the United States Patent Rights.

3. CIVCO further agrees for itself, successors, assigns, and its legally bound predecessors to execute, without further consideration, any further legal documents, any further assignments, and any releases, reissues, renewals or other applications for the Letters Patent that may be deemed necessary by MEDTEC, or by MEDTEC's successors-in-interest or assigns, fully to secure to MEDTEC, or to MEDTEC's successors-in-interest or assigns, CIVCO's interest as aforesaid in and to the United States Patent Rights.
