ASSIGNMENT

The undersigned (hereinafter collectively referred to as the Assignor), in consideration of the sum of one US dollar (\$ 1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby sell, assign, and transfer to:

AQUIFER MAINTENANCE & PERFORMANCE SYSTEMS, INC.

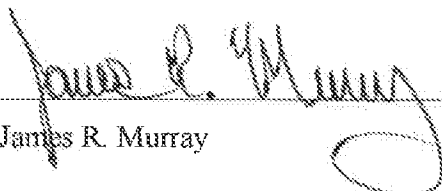

(hereinafter referred to as the Assignee), of

7146 Haverhill Road N.
West Palm Beach, FL 33407
USA

my entire right, title and interest in all inventions described in the document(s) listed in **Exhibit A**, attached hereto, and any regional or national patent applications, including any continuation, divisional or continuation-in-part patent applications, filed in any country in the world claiming priority to those document(s) listed in **Exhibit A**; the right, title and interest to be held and enjoyed by the Assignee for its own use, and for its own legal representatives and assigns, for the full term for which a patent is granted.

The Assignor hereby agrees to execute all papers necessary in connection with the filing and prosecution of any patent application (including any national or regional patent application, continuation, divisional or continuation-in-part patent application) claiming priority to said document(s) listed in **Exhibit A**, including but not limited to any declaration of inventorship, and also agrees to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The Assignor hereby represents to have full right to convey the interest herein assigned, and has not executed, and will not execute, any agreement in conflict therewith.

James R. Murray
