ASSIGNMENT

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned ("Assignor"):

Labworks, Inc.

hereby sells, assigns, and transfers to:

Lus & Butts, LLC

a limited liability company of the State of California having a principal place of business at 2950 Airway Avenue #A-16, Costa Mesa, California 92626 ("Assignee"), and its successors, assigns and legal representatives, the entire right, title and interest in and to the following patents:

U.S. Patent No. 6,904,807 Issued June 14, 2005

U.S. Patent No. 8,561,962 Issued October 22, 2013

and in and to all provisional applications, non-provisional applications, utility applications, design applications, divisional applications, continuation applications, continued prosecution applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications, reexaminations, extensions, and all other patent applications that have been or shall be filed in the United States and all foreign countries on any of said inventions or improvements; and in and to all original patents, reissued patents, reexamination certificates, and extensions, that have been or shall be issued in the United States and all foreign countries on said inventions or improvements; and in and to all rights of priority resulting from the filing of said United States applications, all as owned by Assignor; and in and to any accrued causes of action for damages and/or for injunctions for infringement of such patents.

Assignor covenants with said Assignee, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
