ASSIGNMENT

WHEREAS, I, GEOFFREY B. MAUS of the city of Mission Viejo , State of California have invented certain new and useful improvements in a

TRAILER MOUNTED CRASH ATTENUATOR

for which the said GEOFFREY B. MAUS having executed application papers for a patent application having been filed on January 30, 2008, and assigned United States Serial Number 12/023,013; and

WHEREAS, Traffix Devices, Inc., a Corporation of the State of California, hereinafter called Assignee, having its place of business at 220 Calle Pintoresco, San Clemente, California, 92672 is desirous of acquiring my entire right, title and interest in and to the aforesaid invention and in and to any and all Letters Patent therefor granted in the United States of America, and in any and all countries foreign thereto;

NOW, THEREFORE, TO WHOM IT MAY CONCERN, be it known that, for and in consideration of the sum of ONE DOLLAR (\$1.00) to me in hand paid by Assignee, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, GEOFFREY B. MAUS by these presents sell, assign and transfer unto Assignee, its successors, legal representatives, and assigns, the full and exclusive right, title and interest worldwide (including the right to apply for Letters Patent in foreign countries and regions in its own name and to claim any priority rights for such foreign applications and which claim priority to the above referenced patent application and to which such applications are entitled under international conventions, treaties, or otherwise), in and to the said invention as described in said application, and all related intellectual property, including, but not limited to, all Letters Patent pending now or in the future or granted therefor, and all divisions, reissues and continuations thereof, trademark rights, trade names, copyrights, know how, trade secrets, and reproduction rights, and waive any and all moral rights in the invention, and I hereby authorize and request the Commissioner of Patents and Trademarks and foreign patent officials to issue all Letters Patent on said inventions or resulting therefrom to said Assignee, as assignee of my entire right, title and interest, and I covenant that I have full right so to do. I will communicate to said Assignee, or its

successors any and all facts known to me regarding said invention immediately whenever requested, and will testify in any legal proceeding, sign all lawful papers, provide all tangible property describing or embodying the invention, execute all divisional, reissue, continuation, continuation-in-part, and foreign applications, and generally do everything possible to aid said Assignee, its successors and assigns, to obtain and enforce proper patent protection for said invention in all countries. I also covenant and agree not to contest the validity or enforceability of any intellectual property rights assigned herein, or to assist or request any third party to contest the validity or enforceability of any intellectual property rights assigned herein.

I do hereby release and forever discharge Assignee for any and all claims, including but not limited to, any debts, liabilities, damages and causes of action of whatsoever kind or nature related to the Invention, whether or not known, suspected, and unsuspected, including any and all previous agreements entered into, which now exist or may have existed prior to the date of this Agreement.
