ASSIGNMENT

WHEREAS WE, Patrick Wardle of Kula, Maui, Hawaii, and Mark Kuhr of Los Altos, California, both of the USA, have made certain new and useful inventions as set forth in application for United States Letters Patent, titled:

AUTOMATED INTERACTION FOR MOBILE APPLICATIONS

for which the specification is attached hereto and/or for which an application for United States Letters Patent may be filed concurrently herewith;

AND WHEREAS, Synack, Inc., a corporation of Delaware having a place of business at 1600 Seaport Blvd., Suite 170, Redwood City, CA 94063 ("Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, we do hereby sell, assign, transfer and set over unto said Assignee, their legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, including, but not limited to, any provisional, non-provisional, continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention and the right to claim priority, or the benefit of, to the above-mentioned application;

UPON SAID CONSIDERATIONS, we hereby agree with the said Assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will, at any time upon request, without further or additional consideration but at the expense of said Assignees, execute such additional assignments and other writings and do such additional acts as said Assignees may deem necessary or desirable to perfect the Assignees' enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and Assignees;

AND we request the Director of the US Patent & Trademark Office to issue any Letters Patent of the United States which may be issued for said invention to said Assignees, their legal representatives, successors or assigns, as the sole owners of the entire right, title and interest in and to said patent and the invention covered thereby.
