ASSIGNMENT OF APPLICATION

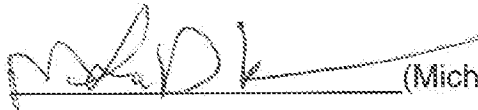

Whereas, Michael Whitener, 11000 Metro Parkway, Unit 20, Fort Myers, Florida 33912, hereinafter referred to as "Inventor", has invented certain new and useful improvements which are subject of the patents and pending applications listed below: US Patent No. 8,500,941 entitled "Secondary Containment Panels And Process For Making And Installing Same" issued August 6, 2013; pending US application No. 13,932,335 entitled "Secondary Containment Panels And Process For Making And Installing Same" filed on July 01, 2013; pending US Application serial No. 13/435,093 entitled "Secondary Containment Panels For Making And Installing Same", filed on March 30, 2012; pending US application 14/248049 entitled "Retention Tank Storage Cover" and filed April 8, 2014; Canadian patent 2,683,244 entitled "Secondary Containment Panels and Process for Making and Installing Same" issued November 18, 2014; and pending Canadian application No. 2,811,650 entitled "Secondary Containment panels and Process for Making and Installing Same" filed April 2, 2013;

Whereas, Tight Line, LLC, hereinafter referred to as "Assignee" or "Applicant" whose mailing address is 11000 Metro Parkway, Unit 20, Fort Myers, Florida 33912, is desirous of acquiring the entire right title and interest in the same,

Now, therefore, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt whereof is acknowledged, I, the Inventor, do hereby sell, assign and transfer unto said Applicant/Assignee, the full and exclusive right to the said inventions in the United States and the World and the entire right, title and interest in and to any and all Patents including reissue, continuations, or divisional Patents which may be granted therefor in the United States or any other country.

I further authorize and request the Commissioner of Patent and Trademarks to issue said United States Patent to said Applicant/Assignee, of the entire right, title, and interest in and to the same, for its sole use and behalf; and for the use and behalf of its legal representatives and assigns, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by the undersigned Inventor had this assignment and sale not been made.

Executed this 20th day of May, 2015 at Fort Myers, Florida.

 (Michael Whitener)

State of Florida

County of Lee

Before me personally appeared said Michael Whitener and acknowledged the foregoing instrument to be his free act and deed this 20th day of May, 2015.
