ASSIGNMENT

WHEREAS, Cadent Medical Corporation, having a principal place of business at 17 Crosby Drive, Bedford, Massachusetts ("assignor"), is the owner by virtue of assignments from the inventors thereof of all right, title and interest in United States patent application serial number 09/036,265 filed March 6, 1998 and the invention disclosed therein for a Defibrillation System; and

WHEREAS, Cardio Science, Inc., having a principal place of business at 16931 Millikan Avenue, Irvine, California, and its successors and assigns (collectively hereinafter called "assignee"), is desirous of acquiring assignor's entire right, title and interest in and to the invention, and in and to the said application and any letters patent that may issue thereon;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, assignor does hereby sell, assign and transfer unto said assignee, its successors assigns and legal representatives the full and exclusive right, title and interest in and to said invention and in and to said application and all patents which may be granted therefor, and all divisions, reissues, substitutions, continuations, continuations-in-part and extensions thereof; and assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue all patents for said invention, or patents resulting therefrom, insofar as assignor's interest is concerned, to the said assignee of assignor's right title and interest.

Assignor also hereby sells and assigns to said assignee, its successors, assigns and legal representatives the full and exclusive right, title and interest to the invention disclosed in said application throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in assignee's name throughout the world, including all rights of priority, all rights to publish cautionary notices reserving

ownership of said invention, and all rights to register said invention in appropriate registries; and assignor agrees to execute any and all powers of attorney, applications, assignments, declarations, affidavits and any other papers in connection therewith necessary to perfect such right, title and interest in assigning its successors, assigns and legal representatives.

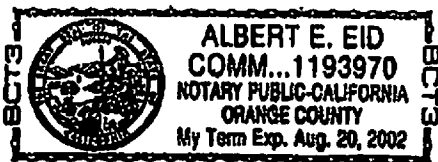

In witness whereof I hereto set my hand and seal at _____ this
August 17th day of _____, 2000.
