INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (the "**IP Assignment**"), dated as of May 18, 2015, is made by Cinta Tools, LLC, an Arizona limited liability company ("**Cinta**") in favor of Columbia Taping Tools Ltd., a British Columbia company ("**Buyer**"), the purchaser of certain assets of Cinta pursuant to an Asset Purchase Agreement of even date herewith (the "**Purchase Agreement**").

WHEREAS, Cinta desires to assign to Buyer, and Buyer desires to accept and acquire, all of Cinta's right, title, and interest in and to all of the intellectual property and intangibles listed on Exhibit A of this Assignment (collectively, the "**Assigned Intellectual Property**");

NOW THEREFORE, the parties agree as follows:

1. All capitalized terms used in this IP Assignment but not otherwise defined herein are given the meanings set forth in the Purchase Agreement.
2. Cinta does hereby sell, transfer, convey, assign, grant, set over and deliver to Buyer, and Buyer hereby accepts, all of Cinta's right, title, and interest in and to the Assigned Intellectual Property, free and clear of all liens, mortgages, options, charges, title defects, security interests and similar encumbrances in favor of any person or entity other than Buyer, together with the goodwill pertaining thereto, and together with all causes of action (in law or equity), claims, demands and any other rights for, or arising from any past, present or future infringement, of the Assigned Intellectual Property, along with the right to sue for and collect any damages for the use and benefit of Buyer and Buyer's successors, assigns, designees, nominees and other legal representatives, all of the foregoing to be held by Buyer for Buyer's own use and enjoyment, and for the use and enjoyment of Buyer's successors, assigns, designees, nominees and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Cinta if this Assignment and sale had not been made.
3. Cinta represents and warrants that it possesses the unencumbered right and authority to make this Assignment. Cinta further represents, warrants and covenants that the execution and delivery of this Assignment does not breach any agreement to which Cinta is a party, and Cinta has not entered into, and will not enter into, any oral or written agreement in conflict with this Assignment.
4. As may be requested by Buyer or its designee or other legal representative from time to time after the date hereof, Cinta agrees to assist Buyer, or Buyer's successors, assigns, designees, nominees or other legal representatives, in a commercially reasonable manner, without further consideration, to (i) evidence, record, and perfect the assignment of the Assigned Intellectual Property and (ii) secure Buyer's rights in the Assigned Intellectual Property, including, but not limited to, the execution, delivery and filing of all applications, specifications, oaths, assignments, powers-of-attorney, and similar instruments that Buyer deems necessary to assign and convey to Buyer, or Buyer's successors, designees, nominees or other legal representatives, all right, title and interest in and to the Assigned Intellectual Property.

5. Cinta hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any officer of any country or countries foreign to the United States, whose duty it is to issue Patents or other evidence or forms of intellectual property protection or applications as, to issue the same to Buyer or Buyer's successors, assigns and other legal representatives in accordance with the terms of this instrument.

6. This IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this IP Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this IP Assignment.

7. This IP Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

8. This IP Assignment and any claim, controversy, dispute or cause of action (whether in contract, tort or otherwise) based upon, arising out of or relating to this IP Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the State of Arizona.
