and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, I/we hereby sell, assign and convey, unto Assignee, its successors and assigns, my/our entire right, title and interest:

- (1) in and to an invention entitled "_____ " for which I/we previously filed United States Provisional Application No(s). _____ filed on _____;
- (2) in and to an invention entitled "CHUTE OPENER" for which I/we have executed a PCT Patent Application and/or United States Patent Application on even date herewith, or, if applicable, having Application No. 14/594,695, filed January 12, 2015, and, if applicable, which claims the benefit of United States Provisional Application No(s). _____ n/a _____ filed on _____ n/a _____;
- (3) in and to said PCT Patent Application, United States Patent Application and/or United States Provisional Application(s) and in and to all other patent applications now or hereafter filed in the United States and countries foreign to the United States (including divisional, continuation, reexamination, and reissue applications, and legal equivalents thereof) based upon said invention, and in and to the patent or patents granted thereon or issued therefrom, including reissues or the like thereof, if any, to the full end of the term or terms for which said patent or patents may be granted or issued.

Application No.: 14/594,695
Date filed: January 12, 2015

- (4) under the applicable International Treaties and/or Conventions, I/we further agree that any patent applications of any countries foreign to the United States which may be filed shall be filed in the name of my/our Assignee with the right to claim priority to said earlier filed applications.

And I/we hereby authorize the Assignee and/or its agent or attorney to enter the application number and filing date of said PCT Patent Application and/or United States Patent Application the spaces provided above once received.

And I/we hereby agree that I/we will, upon demand of Assignee, its successors or assigns, and without further consideration to me/us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to be a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me/us.

And the Commissioner of Patents and Trademarks of the United States and all other appropriate government officials for applicable countries foreign to the United States are hereby authorized and requested to issue said patent or patents to Assignee.
